Sum Of Us:

The Sum of Us Heather McGhee, 2022-02-08 NEW YORK TIMES BESTSELLER LONGLISTED FOR THE NATIONAL BOOK AWARD One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn Racism has a cost for everyone not just for people of color WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD ONE OF THE BEST BOOKS OF THE YEAR Time The Washington Post St Louis Post Dispatch Ms magazine BookRiot Library Journal This is the book I've been waiting for Ibram X Kendi 1 New York Times bestselling author of *How to Be an Antiracist* Look for the author's podcast *The Sum of Us* based on this book Heather McGhee's specialty is the American economy and the mystery of why it so often fails the American public From the financial crisis of 2008 to rising student debt to collapsing public infrastructure she found a root problem racism in our politics and policymaking But not just in the most obvious indignities for people of color Racism has costs for white people too It is the common denominator of our most vexing public problems the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all But how did this happen And is there a way out McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California tallying what we lose when we buy into the zero sum paradigm the idea that progress for some of us must come at the expense of others Along the way she meets white people who confide in her about losing their homes their dreams and their shot at better jobs to the toxic mix of American racism and greed This is the story of how public goods in this country from parks and pools to functioning schools have become private luxuries of how unions collapsed wages stagnated and inequality increased and of how this country unique among the world's advanced economies has thwarted universal healthcare But in unlikely places of worship and work McGhee finds proof of what she calls the Solidarity Dividend the benefits we gain when people come together across race to accomplish what we simply can't do on our own *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message delivered with startling empathy from a black woman to a multiracial America It leaves us with a new vision for a future in which we finally realize that life can be more than a zero sum game LONGLISTED FOR THE ANDREW CARNEGIE MEDAL *The Sum of Us (Adapted for Young Readers)* Heather McGhee, 2023-02-21 The New York Times bestseller now adapted for a new generation of young readers leaders thinkers and activists A groundbreaking call to action that examines how racism affects and harms all of us and how we need to face it head on together The future can be prosperous for everyone but only if we address the problems of racial and economic inequality McGhee believes that all people of all ages and all backgrounds need to rethink their attitude toward race and strive together to create opportunities that benefit everyone This book is a call to action McGhee examines how damaging racism is not only to people of color but also to white people She offers hope and real solutions so we can all prosper An expert in economic policy McGhee draws lessons both from her work at a think tank and from her travels around the country talking to everyday Americans fighting

for a more just and inclusive society The people she meets prove how the stories we tell ourselves about race and belonging influence the policies that determine our shared economic future The Sum of Us provides hope that with understanding and open mindedness the world can be more united and equitable than it is today Workbook for the Sum of Us by Heather McGhee Quantum Press,2021-02-27 This is a WORKBOOK for The Sum of Us Book by Heather McGhee This workbook contains the key points of the original one to have some extra activities with the read listening Reflects the ideas one should do after one has learned throughout the read listening from the original book **Summary of the Sum of Us** Beezy Press,2021-04 This is a Companion Summary of The Sum of Us What Racism Costs Everyone and How We Can Prosper Together by Heather McGhee This Summary eBook will help you to have a QUICK READ of the main book From this eBook you will get Chapter Wise Summary Extraordinarily Summarized Content Exercises Section to express Yourself QNA Section for Critical Thinkings SO What are you waiting for GET THIS BOOK NOW **Workbook for the Sum of Us** Beezy Press,2021-03-31 This is a Companion WORKBOOK for The Sum of Us What Racism Costs Everyone and How We Can Prosper Together by Heather McGhee This WORKBOOK will help you to Learn and Express yourself by writing your Thoughts Improvement and Notes you have read learn from the main book From this Workbook you will get Chapter Wise Summary Extraordinarily Summarized Content Exercises Section to Write Express Yourself QNA Section for Critical Thinkings SO What are you waiting for GET THIS BOOK NOW *Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 19 (2003)* Inter-American Commission on Human Rights,2023-01-30 The print edition is available as a set of two volumes 9789004163935 *Workbook for The Sum of Us* Dan Young,2021 *The Trader's and Manufacturer's Compendium ... often claimed that Americans recklessly take on too much debt The problem is that US debt policies have no basis in reality Weaving together the histories and trends of US debt policy with her own family story Chrystin Ondersma debunks the myths that have long governed debt policy like the belief that debt leads to prosperity or the claim that bad debt is the result of bad choices both of which nest in the overarching myth of a free market unhindered by government interference and accessible to all In place of these stale narratives Ondersma offers a compelling flexible and reality based taxonomy rooted in the internationally recognized principle of human dignity Ondersma s new categories of debt grounded in abolitionist principles revolutionize how policymakers are able to think about debt which will in turn revolutionize the American debt landscape itself
