Harlequin Romantic Suspense October 2023 - Box Set Lisa Childs, Carla Cassidy, Anna J. Stewart, Patricia Sargeant, 2023-09-26 Looking for heart racing romance and breathless suspense. Want stories filled with life and death situations that cause sparks to fly between adventurous strong women and brave powerful men. Harlequin Romantic Suspense brings you all that and more with four new full length titles in one collection: Protecting Colton's Secret Daughters: A The Coltons of New York novel. By New York Times bestselling author Lisa Childs. FBI special agent Cash Colton divorced his wife Valentina to keep her away from his dangerous job. But when his latest investigation brings him back to her and their surprise twin toddler daughters, he'll reckon with a serial killer out for vengeance and protect the family caught in the crosshairs. The Cowboy Next Door: A The Scarecrow Murders novel. By New York Times bestselling author Carla Cassidy. Joe Masterson would do anything to keep his young daughter safe, even give up his life and identity. But keeping his beautiful neighbor Lizzy Maxwell in the dark about his witness protection status threatens their fledgling attraction. Until the criminal he sent to jail escapes and vows retribution. Deadly Vegas Escapade: An Honor Bound novel. By USA TODAY bestselling author Anna J. Stewart. With no memory of his identity or past, army investigator Riordan Malloy must rely on the kind woman who rescued him from a sinking car. But Darcy Ford isn't sure if the handsome man she's helping and falling in love with is on the run from danger or a murderer on the run from the law. Down to the Wire: A The Tour Security Group novel. By Patricia Sargeant. Not many people get the jump on cybersecurity expert Malachi Tour, but Dr. Grace Blackwell isn't a run-of-the-mill hacker. She's convinced Malachi's latest client stole her valuable research. He'll help the beautiful researcher uncover the truth and spend passionate nights in her arms. But is Grace the victim or the villain? *Diary of a Curable Romantic* Junius A. Davis, 2007-12-06 This is an account of the first 82 years in the life of Junius A. Davis, who entered this world starry-eyed and believing in the inherent beauty of all things and his continuing discovery that his romantic view of the world and his part in it was essentially and fatally flawed. *Summers Alla Napoletana* Ryszard Linkiewicz, 2016-11-18 Summers Alla Napoletana is the story of a boy growing up in and around the slums of Naples in the late nineteen fifties and early nineteen sixties. Based on personal memories of real events, places, and people, the story follows the disruption of migration and family separation. It tells of a timeless city in a time that has become in the modern West some sort of golden halcyon era. This is an atypical account of the sixties. It is not the usual story of baby boomers growing up in middle class American suburbia, but an insider's account of a world few people ever get to see or read about. *Couples* Kathryn Jensen, Linda Marrow, 1995 The author of *Sing to Me Saigon* now delves into the world of couples with this story of friends and lovers set against three turbulent decades. Amanda, Robert, Caroline, and Frank make their way in a world of lost innocence and revolution as they share passion.
