Copyright Office, 1976 **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office, 1955 **Books in Print**, 1991

Television Showstoppers, 1987 Screened Stages Rachel Joseph, 2024-02-28 This book is devoted to tracing the variety of ways that theatre theatricality and performance are embedded in Hollywood cinema as screened stages A screened stage is the literal or metaphorical appearance of a stage on screen When the Hollywood style emerged in cinema history it traumatically severed the entwined relationship between film and theatre The book makes the argument that cinema longs for theatre after that separation The histories of stage and screen persistently crisscross one another making their separation problematic The screened stage from the end of the nineteenth century until now offers a miniaturized version of cinema and theatre history Moments of the stage within the screen compress historical styles and movements into saturated representations on film Such examples overflow the cinematic screen into singular manifestations of presentness Screened stages uncover what it means to be simultaneously present and absent This book would be of great interest to students and scholars of theatre film dance and performance **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12

Television Drama Series Programming Larry James Gianakos, 1983 For more than a decade Gianakos comprehensive chronicles of American television dramatic programming have been considered classic references Following a descriptive and critical review for each period an exhaustive Days and Times section includes detailed listings for all dramatic specials Program sections for all seasons provide writer and director credits This is the fourth volume in the 6 volume series
