That They Might See:

The Works of President Edwards. Edited by E. Williams and E. Parsons. With Memoirs of His Life by S. Hopkins Jonathan Edwards, 1817

The Johannine Writings Paul W. Schmiedel, 2017-03-14 A well thought out treatment of the writings of John in the Bible the author takes all the influences that may have caused John to write the on the topics he did such as the state of the Roman Empire at the time and the rise of Gnosticism which was a major influence in the New Testament world

Matthew Henry's Commentary on the Whole Bible: Volume V-III - John Matthew Henry, *Learning to Rival* Linda Flower, Elenore Long, Lorraine Higgins, 2000-04-01 Learning to Rival tells the inside story of college and high school writers learning to rival to actively seek rival hypotheses and negotiate alternative perspectives on charged questions It shows how this interdisciplinary literate practice alters with the context of use and how in learning to rival in school and out students must often negotiate conflicts not apparent to instructors This study of the rival hypothesis stance a powerful literate practice claimed by both humanities and science initially posed two questions how does the rival hypothesis stance define itself as a literate practice as we move across the boundaries of disciplines and genres of school and community how do learners crossing these boundaries interpret and use the family of literate practices especially in situations that pose problems of intercultural understanding Over the course of this project with urban teenagers and minority college students the rival hypothesis stance emerged as a generative and powerful tool for intercultural inquiry posing in turn a new question how can the practice of rivaling support the difficult and essential art of intercultural interpretation in education The authors present the story of a literate practice that moves across communities as well as the stories of students who are learning to rival across the curriculum Learning to Rival offers an active strategic approach to multiculturalism addressing how people negotiate and use difference to solve problems In the spirit of John Dewey's experimental way of knowing it presents a multifaceted approach to literacy research combining contemporary research methods to show the complexity of rivaling as a literate practice and the way it is understood and used by a variety of writers As a resource for scholars teachers and administrators in writing across the curriculum studies writing program administration service learning and community based projects as well as literacy rhetoric and composition this volume reveals how learning a new literate practice can force students to encounter and negotiate conflicts It also provides a model of an intercultural inquiry that uses difference to understand a shared problem
