The Abiding Presence:

The Believer's Secret of the Abiding Presence Andrew Murray, Brother Lawrence, 1987-01-01 Andrew Murray's devotional warmth and Brother Lawrence's practical mysticism are combined in one challenging volume. Editor L. G. Parkhurst has taken Murray's classic *The Secret of the Abiding Presence* and added the insights of Brother Lawrence's bestseller *The Practice of the Presence of God*, updating them for today's reader. Murray's and Lawrence's burden was to give the believer a tool to expand his prayer life beyond the limits of merely verbalizing needs to actually practicing the presence of Christ on a moment-by-moment basis. The thirty-one devotionals are comprised of chapters from Murray's original book, summarized and given practical application by the writings of Brother Lawrence. Each devotional begins with comments on a specific topic by Murray, then Lawrence's commentary on the subject concludes the devotional. A unique devotional handbook that deserves a wide audience in this newly edited format.

The Secret of the Abiding Presence Andrew Murray, 2017-04-11 It takes time to know God, become conscious of His presence, and live in His power. Unfortunately, the busyness of life often keeps us from that. Written over a period of five years, *The Secret Series* books contain a wealth of teaching that is based on Andrew Murray's mature and full experience in Christ. *The Secret of the Abiding Presence* contains one month of daily selections that focus on the need for quiet, uninterrupted communion with Him.

The Abiding Presence: A Theological Commentary on Exodus Mark Scarlata, 2017-10-30 With an emphasis on the nature and importance of divine presence, *The Abiding Presence* provides a unique perspective on the overarching theology of Exodus, drawing particular attention to God's revelation at the burning bush, Sinai, and the tabernacle. Exploring the rich theological themes that emerge from the final form of the narrative, the commentary also reflects on how these themes were employed by New Testament authors in understanding the life and ministry of Christ. Bridging the gap between accessibility and scholarly rigour, this commentary offers an excellent tool for ordinands, students, teachers in higher education, and preachers to engage with the theology of the book in its Old Testament context, as well as how its message is revealed in the New Testament and continues to speak today.

The Abiding Presence of the Holy Ghost Bede Jarrett, 2013-10-23 In his own lifetime, Father Jarrett held a recognised position as the greatest preacher in Catholic England. In the light of his own teaching, it is easy to understand the reason. Behind all his sermons, there lay a personal vision and a personal love. He always preached to the individual; it made no difference to him whether these were many or were few. He would seem to put the same care and thought and vision into each of his sermons and his lectures. For with him, the lectures were in fact sermons. It appeared to make no difference whether these were to be delivered in Westminster Cathedral or the Albert Hall or Our Lady of Victories, New York, or in some small church or classroom. The author of the obituary in *The Times* noted that he has been called the best Roman Catholic preacher in this country, and he was perhaps the most popular English preacher in the United States, his sermons being marked by their intellectual quality, their appositeness to the times, and their incisiveness. All this seems true.

enough Much of his success as a preacher was due to his clarity of thought and of word and of voice But it was Father Vincent McNabb who perhaps came closest to the secret of his influence His light was a spiritual flame that fed itself increasing day by day but alas a bodily flame that fed upon itself until the day when it made an end to its powers I need not say that if he was on fire it was with the master flame of love
