The Jericho Compact:

Guns of the Elite Forces John Walter, 2005-02-01 Guns of the Elite Forces provides a penetrating account of the weapons that elite fighting troops carry into combat. Such elites have always existed in the armies of the world. During World War II elite units sprang up in most theatres of conflict: the German Brandenburgers carried out clandestine operations in Poland; in the Western Desert the Long Range Desert Group and SAS penetrated deep behind enemy lines for larger scale raids; the British Commandos and the US Rangers and Marine Raiders were formed.

The Warehouse Coroner Paul Austin Ardoin, 2024-03-19 A body in a locked storage unit. A coroner caught in the crossfire. And secrets that refuse to stay buried. Fenway Stevenson just wanted one quiet day off to help her boyfriend pack. But when she opens a storage unit in a gritty industrial part of town she finds something far more sinister than spare furniture: a dead body wrapped in an expensive Persian rug. The victim: The former owner of the storage facility who had a tangled web of personal and professional connections. As Fenway digs into the case she discovers that the storage unit wasn't the only thing the dead man had locked away: secrets, grudges, and possibly criminal ties are hidden behind every door. Soon all eyes turn to the man's ex-wife who recently took full control of the storage business in a bitter divorce. Her reaction is colder than expected and her timeline doesn't quite add up. But she's not the only one with something to hide. From long-time friends with shifting alibis to employees with shady pasts, Fenway's list of suspects grows longer by the hour. With her team in flux, her relationship tested, and a new sheriff scrutinizing her every move, Fenway has to piece together the truth fast. Because the killer is still out there. And they may be closer than anyone thinks. Smart, layered, and packed with sharp dialogue and forensic intrigue, *The Warehouse Coroner* is the ninth installment in the gripping Fenway Stevenson Mysteries. Perfect for fans of Sue Grafton, Ann Cleeves, and Karin Slaughter, this twist-filled procedural dives deep into loyalty, deception, and how far people will go to protect their secrets. An intricately plotted mystery in the tradition of the best long-running crime fiction series. Perfect for fans of David Baldacci and Patricia Cornwell. L.J. Shepherd, author of *The Trials of Lila Dalton*. The story races along. Ardoin knows how to write a crime story with pace and characters you'll be cheering for. A classic crime novel with originality.

T.E. Scott, author of *Murder on the First Date*.

The Great Everlasting Ray Johnson, 2003-03-27 Dan Harrington seemingly had everything: a prosperous business, a beautiful redheaded wife, a magnificent home in the towering Sierra Nevadas, and expensive luxury cars. But he also had a disintegrating marriage and skull-cracking headaches. He was midnight-plagued by haunting nightmares, murky incubuses that told him to go to the wilds of Montana. Once in Montana, he meets a gorgeous Indian woman who claims to have been born in 1842. The radiant Indian woman warns Dan of impending danger coming at the hands of his wife and her lover. Is the Indian woman a clever temptress only after his wealth, or a captivating wraith that was sent from *The Great Everlasting* to warn him?

The in Vitro Madonna Ray Johnson, 2003-12-08 Josh Donner is the American attorney Cardinal Mondial, a Brazilian is the ambitious Prince of the Church, Mei Chan is the exquisite and

mysterious Chinese assassin Three diametrically dissimilar people from three different continents all focused like powerful lasers on a central locus The object of their intense interest in Strella a beautiful novice who resides in a convent in Sao Paulo Brazil Strella is both a virgin and pregnant and impossible dichotomy Strella was left on the convent steps when only hours old Raised as a child of the Church her sheltered life within the ivy covered walls of the convent is about to be disrupted by tidal forces powerful enough to change the course of history In the wrong hands controlled by unscrupulous people Strella and her virgin born child could easily shift the balance of power in the modern world The In Vitro Madonna was originally published in Europe Ray Johnson likes to refer to his books as verbal movies Like his two previous novels The Jericho Compact and The Great Everlasting The In Vitro Madonna carries the reader along a swift river of mystery and intrigue A good novel like a vintage wine is to be savored and enjoyed at leisure hopefully in front of the fireplace of life A novel should leave a pleasing aftertaste on the palate of ones soul Ray Johnson was a military officer and law enforcement officer and draws upon life experiences to weave credence into his spellbinding novels His stated goal is to keep his readers wondering until the final paragraph on the final page He achieves that goal in The In Vitro Madonna
