Staging Howells:

Staging Howells William Dean Howells, 1994 Recently discovered papers in the Barrett family collection shed light on Howells's extensive career as a man of letters and the role he played in the nascent American theatrical tradition The letters also illuminate the economics of popular theatrical production and audience response in the Gilded Age The Portable Theater Alan Louis Ackerman, 1999 In The Portable Theater Alan Ackerman investigates the crucial importance of theater in the works of Walt Whitman Herman Melville William Dean Howells Louisa May Alcott and Henry James Whether as drama critics playwrights amateur actors or simply as avid theatergoers each of these authors thought deeply about the theater and represented it in literature Mark Twain & Company Leland Krauth, 2003 In this comparison of Mark Twain with six of his literary contemporaries Leland Krauth looks anew at the writer's multifaceted creativity Twain a highly lettered man immersed in the literary culture of his time viewed himself as working within a community of writers He likened himself to a guild member whose work was the crafted product of a common trade and sometimes made with borrowed materials Yet there have been few studies of Twain in relation to his fellow guild members In Mark Twain the humor and social criticism of Twain and Howells the use of the Gothic by Twain and Stowe to explore racial issues the role of Victorian Sage assumed by Arnold and Twain to critique civilization the exploitation of adventure fiction by Twain and Stevenson to reveal conceptions of masculinity and the use of the picaresque in Kipling and Twain to support or subvert imperialism Mark Twain Company casts new light on some of the most enduring writers in English At the same time it refreshes the debate over the transatlantic nature of Victorianism with new insights about nineteenth century morality conventionality race corporeality imperialism manhood and individual identity **The Man who was Rip Van Winkle** Benjamin McArthur, 2007-01-01 The most beloved American comedic actor of the nineteenth century Joseph Jefferson made his name as Washington Irving's Rip Van Winkle In this book a compelling blend of biography and theatrical and cultural history Benjamin McArthur chronicles Jefferson's remarkable career and offers a lively and original account of the heroic age of the American theatre Joe Jefferson's entire life was spent on the stage from the age of Jackson to the dawn of motion pictures He extensively toured the United States as well as Australia and Great Britain An ever successful career including acclaim as painter and memoirist put him in the company of the great actors artists and writers of the day including Edwin Forrest Edwin Booth John Singer Sargent and William Dean Howells This book rescues a brilliant figure and places him appropriately enough on center stage of a pivotal time for American theatre McArthur explores the personalities of the period the changing theatrical styles and their audiences the touring life and the wide and varied culture of theatre Through the life of Jefferson McArthur is able to illuminate an era Prospects for the Study of American Literature (II) Richard Kopley, Barbara Cantalupo, 2009 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes

Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain
