Southern Connection:

The Southern Connection Robert Bechtold Heilman, 1991-04-01 An engaging collection of essays by an astute observer of the South In 1935 Robert Bechtold Heilman a native Pennsylvanian and recent Harvard Ph D accepted a position in the Louisiana State University English department He came to the Bayou State bringing with him a sense of curiosity in people and places a delight in the drama of life that was compatible with the temperament of the South's still largely rural and storytelling society He came moreover to one of the most dramatic contemporary settings in the South the Louisiana of Huey P Long He was present at the Louisiana State Capitol on the day Long was assassinated In Baton Rouge he found a provincial university in the capital city that was acquiring for the first time in its history a faculty of some distinction Heilman's enduring association with the South both personally and professionally is the focus of *The Southern Connection* a collection of seventeen delightful and thought provoking essays The first section of the book consists of essays in which Heilman recalls Louisiana and LSU as he found them in the autumn of 1935 He describes the atmosphere at the University and in the surrounding town offers vivid portraits of some of his colleagues including Robert Penn Warren Cleanth Brooks and Eric Vogelin and meditates on the reasons an obscure university in an impoverished southern state was able to attract and nurture a faculty of outstanding talent and achievement Having been at LSU during the scandals of the late 1930s and the war years of the 1940s Heilman makes a significant contribution through his recollections to the history of these crucial times In the book's second section Heilman presents critical essays on a number of important southern writers and their works There are discussions of the Agrarian movement and its connection with European culture on Cleanth Brooks and *The Well Wrought Urn* on Eudora Welty's work especially *Losing Battles* and on Katherine Anne Porter's *Ship of Fools* Heilman also includes two essays on Robert Penn Warren's work The first discusses *All the King's Men* as tragedy and the second examines the moral complexities of *World Enough and Time* Another essay in the group compares Arthur Miller's *Death of a Salesman* with Eudora Welty's *The Death of a Traveling Salesman* Finally Heilman offers two extended reflections on the South as a region and a culture In *The South Falls In* he discusses the paradoxes in the southern character and in national perceptions of the South In *The Southern Temper* he considers the southern sense of the concrete as it is reflected in the work of various southern writers and in the southern character in general As a whole *The Southern Connection* offers an enjoyable and illuminating assessment of the South by one of the most perceptive and sensitive critics of our time

American Populist Thomas E. Patterson, 2025-02-14 Thomas E

Patterson's monumental biography of Huey Long is a profound reevaluation of his life and legacy recognizing him as an inspirational progressive thinker populist hero and radical influence on the New Deal before an assassin's bullet ended his life in 1935. First as governor and then as U.S. senator Long transformed the politics of Louisiana by standing for the interests of citizens whom state officials had historically ignored. He eased suffrage restrictions so that more people could vote and voters endorsed his program of more robust government services and shifting the tax burden to those better able to pay. In the United States Senate during the darkest days of the Great Depression he advocated loudly and ceaselessly for the redistribution of wealth expanding public works increasing the money supply insuring bank deposits paying old age pensions and veterans benefits delivering a minimum income for families and funding college and vocational education. President Franklin D. Roosevelt along with other politicians and pundits dismissed Long's proposals as nonsense put forth by a reckless demagogue in search of votes. Despite several biographies acclaimed novels and historical studies in the years since Long's death his reputation today is mostly caricature a spellbinding speaker a dictator a populist firebrand who was unprincipled and corrupt. Using previously untapped personal papers of Long and his son Russell other primary sources recent scholarship and his experience as a lawyer Patterson provides a necessary corrective as he analyzes the contours of Long's career deconstructs the elements of his success undercuts several myths related to his time in office and explains the circumstances that led to his ultimate downfall. The result is the most comprehensive balanced and analytical study of the Kingfish to date.
