Stranger Returns:

Meeting the Mental Health Needs of Young Children 0-5 Years Marie Potter, Samuel Stones, 2025-02-28 The mental health of children is a current concern and this applies even to the earliest years of a child's life This book supports trainees and practitioners working in early years contexts to understand the risk factors which can result in the development of mental health needs in children from birth to 5 It argues that high quality early years provision can mitigate against some of these risk factors and provides clear evidence informed guidance around government policy transitions attachment and working with parents or carers

Attachments Harold I. Siegel, 2011-02-18 Henry a middle aged psychology professor is in the midst of an unpleasant stage in his life His past relationships with his parents have left him feeling enmeshed and bitter unappreciated and guilty His adulterous attempt to seek affection outside his unsatisfactory marriage has ended tragically As he privately struggles with his own insecurities Henry embarks on an unpredictable journey to find healthy attachments Despite repeating several unfulfilling sexual experiences with his female students Henry makes a valid attempt to maintain some degree of professionalism But is it a mere coincidence that Henry is teaching Attachment Theory a course focused on healthy and unhealthy interpersonal relationships that first involve parent and child and then later adult romantic connections As Henry struggles to find a way to satisfy his own unmet attachment needs he tries to ignore his own compulsion to seek out relationships that do not provide the deep emotional connection he so desperately craves But Henry is about to discover that his past actions may come back to haunt him in ways he never imagined Only time will tell if he will be able to take his life full circle and heal the wounds from long ago
