Jonathan Kantor, 2016-03-22 The ultimate visual compendium of optimal suturing and wound repair practice covering 25
must know techniques Atlas of Suturing Techniques Approaches to Surgical Wound Laceration and Wound Repair presents
the building blocks of suturing and wound repair in an at a glance economical atlas format In its pages the author shares his
vast expertise and it is his intention to help physicians across many specialties to improve outcomes for patients requiring
repair of any wound Starting with chapters on principles of wound management and wound repair the atlas then moves on to
equipment positioning and other key principles The next section covers 25 suture techniques providing detailed step by step
instructions adjacent to drawings and photos of the techniques Finally the last section covers each area of anatomy guiding
you in what suture to use when how to modify certain sutures in specific locations and even how to prepare and execute skin
grafts Atlas of Suturing Techniques Approaches to Surgical Wound Laceration and Wound Repair goes beyond the scope of
other texts which often limit their focus to either general operative principles or the specific use of flaps in particular
reconstructive areas such as facial and nasal reconstruction While these texts provide insufficient coverage of actual suture
placement techniques this one stop resource excels at providing a clear easy to follow atlas of suturing one that enables you
to prevent scars and other negative patient outcomes Unfortunately even the best designed repair can be undone by less
than optimal suturing techniques Reviews the fundamental principles of suturing and wound repair in an accessible
affordable Atlas format Covers 25 suture techniques and provides unique step by step instructions with precise drawings and
photos of the techniques Includes 80 videos Helpful anatomical orientation in last section specifies what suture to use in a
wide range of clinical scenarios *Garden & Home Builder* William Tyler Miller, 1918 **Atlas of Suturing Techniques:
