**Songs of Grace and Glory ... Hymnal treasures of the Church of Christ, from the sixth to the nineteenth century. Edited by C. B. Snepp ... Seventh thousand** Charles Busbridge SNEPP,1872      *Gospel Herald* ,1929      **The Ministry of the Word, Vol. 24, No. 04** Various Authors,2020-04-01 This issue of The Ministry of the Word contains the final seven messages given during the Fall 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Christian Life In these seven messages we continue to consider other aspects of the Christian life In order to live the Christian life we need to know the resurrected Christ and to know and experience the power of His resurrection The first aspect in which we need to know Him is as the Son of God designated in power with His human nature Christ as the Son of God will make us the same as He is He is the prototype and He is in us as the law of the Spirit of life to shape to conform us to the image of the firstborn Son The second aspect in which we need to know Him is as the firstborn Son of God born in resurrection The first aspect emphasizes His person to be reproduced and the second aspect is for His propagation To live the Christian life is to live out the anointing The anointing is the moving and working of the indwelling compound Spirit to apply all the ingredients of the processed Triune God and His activities into our inner being so that we may be fully mingled with Him for His corporate expression Life moves and when Christ as the Spirit entered into us He came into us as the anointing In order to experience the anointing we need to know Christ as the anointed One as the anointing One and as the anointing The Christian life is a life of abiding in Christ as the vine The true vine with its branches Christ the Son with the believers in the Son is the organism of the Triune God in the divine economy to grow with His riches and express His life As the branches of the true vine we are the multiplication of Christ the duplication of Christ the spreading of Christ and the enlargement of Christ To abide in Christ as the vine is to dwell in Him to remain in fellowship with Him that we may experience and enjoy His abiding in us The Christian life is a life of living in the mingled spirit The essence of the New Testament is the two spirits the divine Spirit and the human spirit mingled together as one spirit We can experience Christ enjoy Christ live Christ and take Christ as everything because we have become one spirit with Him Ultimately the Bible requires only one thing of us that we walk according to the mingled spirit The key to everything is found in the wonderful Spirit who is in our regenerated spirit and who has become one spirit with our spirit To live in the mingled spirit is to have the highest spirituality The Christian life is a grafted life God desires that the divine life and the human life be joined together to become one life This oneness is an organic union a union in life a grafted life Because our human life was made in the image of God and according to the likeness of God it can be joined to the divine life Our human life resembles the divine life therefore the divine life and the human life can be grafted together and grow together organically

As regenerated ones we should live a grafted life a life in which two parties are joined to grow organically The Christian life is not an exchanged life but a grafted life the mingling of the human life with the divine life The most wonderful reality in the Christian experience is that the believers in Christ are united with Christ in the way of life In the grafted life the human life is not eliminated but is strengthened uplifted and enriched by the divine life As a result of our being grafted into Christ there is a three stage development of our relationship with the Triune God in Christ as the Spirit a union in life a mingling of natures and a coinherence the mutual indwelling of persons As Christians we live a life of coinherence in the Father s house which is the church as the house of God and the Body of Christ To live in the Triune God and to have the Triune God live in us is the greatest blessing in the universe The Christian life is a life fully according to and for the central work of God God s unique work in the universe and throughout all the ages and generations is to work Himself in Christ into His chosen people making Himself one with them We need God to build Himself in Christ into our humanity working Himself in Christ into us as our life nature and person God is working Himself into us through everything that happens to us so that He may become our constitution As Christians we experience the divine dispensing for God s central work The will of God concerning our Christian life is that we would know the all inclusive extensive Christ experience Him be constituted with Him and express Him The Reports and Announcements section contains 2020 FTTA Gospel Trips Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
