Eisenberg Ph.D., 2013-02-04 This is the perfect book for an intellectually bored individual In it the author shares a serendipitous collection of his thoughts on a wide variety of conventional and unconventional topics Professor Eisenberg has spent the past six decades challenging his students to think outside the proverbial box Whenever he would ask them a question and they answered I don't know he would say I know that you don't know but what do you think Using this Socratic Method opened their minds and encouraged them to take risks Convinced that a good question outweighs a hundred trite answers the author has included a section of the book in which he asks himself a question and then proceeds to answer it His favorite question is What one word best describes your life His answer was Creative The reader should come away from this book with a deeper understanding of why he chose the title Welcome to my mind He enthusiastically agrees with the following quotation Whatever we possess becomes double value when we have the opportunity of sharing it with others Jean Nicholas Bouilly 1763 1842 [WELCOME TO MINDFULNESS](#)

Welcome to the Desert of the Real Slavoj Zizek,2013-01-16 Liberals and conservatives
proclaim the end of the American holiday from history Now the easy games are over one should take sides Zizek argues this
is precisely the temptation to be resisted In such moments of apparently clear choices the real alternatives are most hidden
Welcome to the Desert of the Real steps back complicating the choices imposed on us It proposes that global capitalism is
fundamentalist and that America was complicit in the rise of Muslim fundamentalism It points to our dreaming about the
catastrophe in numerous disaster movies before it happened and explores the irony that the tragedy has been used to
legitimize torture Last but not least it analyzes the fiasco of the predominant leftist response to the events
