years from the date of my birth before my birth month and day 9 18 connect with a year that will again produce a 33 6 Rare in every way My pops had Master s degrees in Mathematics and Chemical Engineering but also a personality disorder and I was severely beaten and belittled most of my first 20 years In my second 20 years I thought I overcame the trauma undergraduate and graduate degrees with honors marriage and a job as the numbers man on hostile takeover transactions which would equate to the recapitalization of around a half trillion dollars of assets using current stock market levels My wife however went off the ranch while I was doing that leaving me back at square one beaten and belittled as worthless I turned to Higher Spiritualism for an answer and it turns out I came to the planet to live exactly this life to overcome it and to help others do the same In two generations we will likely have 25 billion people on the planet leading to catastrophic collapse If so only higher order consciousness can alter that outcome Sex money and power consciousness can not I would be honored if you would read my book and get in the game

Poseidon's Gambit Keith Braun,2014-11-25 The assembled crew from Napoleon s Gold is called to an encore performance While the fragile Peace of Amiens still holds it is become clear that the French and Dutch in the East Indies are using the great Dutch base at Batavia to supply and encourage pirates and privateers to molest and sink British shipping in the North Java Sea and Straits of Singapore Once again Sir Phillip Hollis is entreated to embark his private warships on a covert mission to accomplish what the Government fears to do using the Royal Navy lest Napoleon exploit it as a cause to resume the war Phillip engaged in preparations for his wedding is at first less than enthused yet the lure of an epic adventure along with the prospect of financial advantage is hard to resist Accosted from the start by assassins vandals French frigates and pirates on the high seas not to mention the Burmese navy and most pressing of all a determined young wife Phillip is beset on all sides in trying to satisfy both military political financial and domestic agendas Adventure humour and romance mingle to the sound of naval cannon and whispered intrigue
