Suddenly a flash of lightning strikes and the three children are transported to another dimension They arrive in the desolate tenth planet of our solar system TerraNize The story focuses on the adventure and exploits taking place in a once majestic land The beautiful planet of TerraNize with its splendid terrain and idyllic environment has been transformed into an epic wasteland Shrouded in a constant haze of ash and soot the air is toxic The once fertile land and gorgeous mountain ranges now bear unforgiving scars rendered by intense heat The riverbeds are cracking from lack of moisture while the ocean lines have receded precipitously What little wildlife remains mostly suffers from disease and starvation Partitioning off distinctive boundaries of land are a vast array of divergent beings who have assumed control of their portion of this seemingly useless land As the children journey through the vast arrays of lands on Terranize they unfold the catastrophic events that have delivered it to this point of despair The evil eternal Antigond is destroying the five kingdoms of men Small groups of Cyclops elves dwarfs and different tribes of men have survived Antigond s destruction but with the help of his creations the Trougliites The Dreafs mighty winged beasts and Brounts Antigond has united all the sub humans in a war against these last inhabitants of TerraNize Led by Draagho the warrior king the children embark on a harrowing mission They must find the orbs in which the life essence of the gods of TerraNize called the eternal is endowed If the children are successful the eternal can be regenerated and destroy Antigond before he obliterates all of humanity In a journey fraught with peril the three children dig deep into their souls for the strength and perseverance to survive A delightful mixture of fantasy and faith

**Milton among the Philosophers** Stephen M. Fallon,2018-10-18

While Johnson charged that Milton unhappily perplexed his poetry with his philosophy Stephen M Fallon argues that the relationship between Milton s philosophy and the poetry of Paradise Lost is a happy one The author examines Milton s thought in light of the competing philosophical systems that filled the vacuum left by the repudiation of Aristotle in the seventeenth century In what has become the classic account of Milton s animist materialism Fallon revises our understanding of Milton s philosophical sophistication The book offers a new interpretation of the War in Heaven in Paradise Lost as a clash of metaphysical systems with free will hanging in the balance [Journey to Tricon : My Trip to Heaven and Back](#) A. W. Trenholm,2013-01-29 What amazes people most about this book is that it provides an actual glimpse into the vast mystical and wondrous world of the spirit For it is the written account of the author s journeys there guided through the experience by a boy from the city of Tricon In this masterfully constructed outpost of heaven itself the author discovers that facilities in the Heavenly realms are far superior to those on earth and that Tricon is a staging area for one of the greatest wars ever to be fought between the forces of good and the armies of the evil Fallen Ones Join Travis as he travels through the vastness of space in a living spacecraft named Lambda Experience the enormity and beauty of New Jerusalem the Heavenly City being constructed to house millions of souls from earth See behind the veil that shrouds our present dimension in darkness and discover what forces there are at work for and against us in this great battle **The Seventieth Week of Daniel** Dale Bromell,2024-07-31 The Church today could benefit greatly from a clear understanding of the events of the End Times the Seventieth Week of Daniel Because this is a dominant and recurring subject of the Bible and because the second coming of Jesus Christ appears to be near it is essential that Christians fully understand this period The Seventieth Week of Daniel will provide a comprehensive study of the significant events that will transpire during this time including the signing of the Covenant the Abomination of Desolation the Great Tribulation the Rapture of the Church and the Day of the Lord Hundreds of Bible verses and easy to understand charts regarding the End Times are included to provide clarity The majority of works concerning the End Times promote the theory of a pretribulation rapture Instead The Seventieth Week of Daniel takes a different approach to the timing and events surrounding the Rapture one which has the effect of altering the typical end times timeline and thus challenging traditional wisdom regarding the Seventieth Week of Daniel **The Apocalyptic Jesus ... notes on Revelation** James Cumming (of Jedburgh.),1885 [The history of Jesus' birth, death and what it means to you and me](#) Elijah Muhammad,1993 [The Apocalypse, with Notes and Reflections.
