## **The Good Master:**

**The Good Master** Kate Seredy, 1986-05-06 A Newbery Honor Book from the author of *The White Stag* Jancsi is overjoyed to hear that his cousin from Budapest is coming to spend the summer on his father's ranch on the Hungarian plains. But their summer proves more adventurous than he had hoped when headstrong Kate arrives as together they share horseback races across the plains, country fairs and festivals and a dangerous run in with the gypsies. In vividly detailed scenes and beautiful illustrations this Newbery Award winning author presents an unforgettable world and characters who will be remembered forever. A genuinely joyous and beautiful book. *The New York Times*

**Discipleship** Dietrich Bonhoeffer, 2003-05-01 Cheap grace is the mortal enemy of our church. Our struggle today is for costly grace. And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church, Dietrich Bonhoeffer began his book *Discipleship* formerly entitled *The Cost of Discipleship*. Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government. At its center stands an interpretation of the Sermon on the Mount, what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post-resurrection church. Every call of Jesus is a call to death. Bonhoeffer wrote. His own life ended in martyrdom on April 9, 1945. Freshly translated from the German critical edition, *Discipleship* provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning, context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches.

**Prone to Love** Jason Clark, 2014-02-18 Stop trying to become who you are already are. *Prone to Love* is a straightforward and disarming breath of fresh air. Bonnie Chavda, Founder and Pastor of All Nations Church. If you have been around Christian circles long enough you have heard the phrase child of God. As believers we use language like this all the time describing our relationship with the Father, but do we really know what it means? What if we actually lived out of the relationship and reality we talked, preached and sung about? Easy. We would change the world. The roadblock preventing us from stepping into our identities as sons and daughters of God is not lack of discipline, resources or creative ideas. We have all of this. What's missing? To discover who you are, first you must know Who the Father is and what He's like. You can't read *Prone to Love* and not recall the goodness of God in your life. Shawn Ring, Executive Pastor Gateway Church.

**The Good Master** Kate Seredy, 2009-07-01 From the time Cousin Kate arrives from Budapest having been packed off by her father because he simply couldn't put up with her wild antics any longer, the story is agog with unexpected happenings. *Christian Science Monitor*

**Gender and Trauma** Fatima Festić, 2011-11-15 This volume presents eight integrated essays that explore the intersection of the scholarly fields of gender and trauma, combining work that can broadly be located in the subject areas of literary studies, the humanities and the social sciences. The contributors search for a more comprehensive theoretical ground to analyze the overlapping inter-agency and also the lines that separate the issues of

gender and trauma to establish a more political linking of the materiality of the effects of trauma to the performativity of gender as well as to examine the ways in which the categories of sex sexual difference and sexual identity figure within such a relationship Likewise our discussion is guided by the increasing awareness of the cross cultural delineation dynamics and translatability of these fields the awareness that facilitates the understanding of the instances of their interference in the rhetoric of a dominant culture and in dominant societal structures This specific input which refers to structurally quite comparable identity formations or to their prevention and also to complex terms of symbolic legitimacy and intelligibility is the attainment of a joined intercultural and interdisciplinary work on some of the key concerns we are confronting today
