heroes used to say There must be no fear no begging but demanding demanding the highest The true devotees are as hard as adamant and as fearless as lion In our generation politicians failed us as they became synonymous with corruption Bureaucrats failed us as they stood for delaying rather than getting the work done Film stars gave us momentary feel of bravado but then they were reel and not real life heroes In our search for heroes we zeroed in on the cricketers And this is the reason as to why we react extremely to team India s performance Cricket is more than just a game it s a matter of emotion for us Cricketers are more than just players they are heroes for us We react extremely as we love them and are emotionally attached to them If there is one place on earth where all dreams of living men have found a home from the very earliest when men began the dream of existence it s India In its infancy cricket was very much an English sport but today it is the voice of India The game has become so ingrained in our society that it s often said If you want to know India understand cricket To bring about social equality in our representative institutions and policy making bodies our political masters followed the policy of positive discrimination On the contrary the game of cricket has broken regional and other traditional barriers in the talent based environment From the game which was confined to Rajas and Maharajas today it has percolated deep down to the grass root level Team India s dressing room is truly reflective of this transformation it is equally if not more representative than the Indian parliament Most of the members of the Indian dressing room come from non cricketing backgrounds The most charismatic batsman of present generation is the son of a teacher his opening partner s father used to sell farm seeds wheat and rice The next all rounder hope of the country is the son of a muezzim and the Adam Gilchrist prototype of team India is the son of a government employee who retired as a pump operator Most of the members of the present day Indian dressing room come from non cricketing environs If Munaf Patel is from a village called Ikhar in Gujarat Kerala born pacer Sreesanth is from Kochi Most of the members of the present Indian dressing room had nothing in the name of sports facilities And yet they managed to find a way
