The Good People:

The Good People (16pt Large Print Edition) Hannah Kent,2016-12-16 The fires on the hills smouldered orange as the women left pockets charged with ashes to guard them from the night Watching them fade into the grey fall of snow Nance thought she could hear Maggie s voice A whisper in the dark Some folk are born different Nance They are born on the outside of things with a skin a little thinner eyes a little keener to what goes unnoticed by most Their hearts swallow more blood than ordinary hearts the river runs differently for them N 3ra Leahy has lost her daughter and her husband in the same year and is now burdened with the care of her four year old grandson Miche l The boy cannot walk or speak and Nora mistrustful of the tongues of gossips has kept the child hidden from those who might see in his deformity evidence of otherworldly interference Unable to care for the child alone N 3ra hires a fourteen year old servant girl Mary who soon hears the whispers in the valley about the blasted creature causing grief to fall upon the widow s house Alone hedged in by rumour Mary and her mistress seek out the only person in the valley who might be able to help Miche l For although her neighbours are wary of her it is said that old Nance Roche has the knowledge That she consorts with Them the Good People And that only she can return those whom they have taken

A Decade of Nightmares Xiang-wu Liu,2018-08-08 Written in the form of satire this tragic story begins with a false report of two signal flares fired by a class enemy in a small town in South China during Mao Zedongs Cultural Revolution From 1966 to 1976 a haze of persecution confusion and hate befell China The so called class enemies were paraded through the streets and schools were closed Domestic calamities went head to head with political rebellions while spies ran rampant and property was cruelly confiscated There was an eventual fight for power as brothers mistreated brothers wives were stolen and families murdered Now decades later these silenced voices are remembered in order to avoid the repetition of history A Decade of Nightmares reminds us of what is true good and beautiful but also what is false evil and ugly This book dissects the soul of a nation from a historical cross section It calls for the return of dignity and reveals the brutal persecution of the soul From the vicissitudes of fate we see clearly the extent and depth of the devastation caused by a decade of disaster

INTRODUCTION TO HUMAN RELATIONS STUDIES George Henderson, Wesley C. Long, 2016-07-01 This book is based on the authors' experiences as professors of human relations and community activists at the University of Oklahoma which has the largest degree granting human relations program in the United States. The specific objectives of this book are to prepare students to work for the provision of equal opportunities for minority groups and women, develop skills pertaining to leadership, communication, group and organizational behaviors by the analysis of behavioral science data, and to function responsibly in situations where conflict and tension call for coordination of interpersonal, intergroup, and organizational efforts. The programs discussed in this book were designed to provide participants with opportunities to gain self-insight, knowledge of moral and ethical codes of behaviors, as well as group dynamics, communication skills, and cognitive tools used to diagnose problems and select the appropriate strategies for change. Unique features include historical and current human relations problems and strategies, interdisciplinary approaches to the creation and development of human relations programs, an educational approach to the ways of supplementing and complementing relevant issues, emphasis on social justice and equity, and the similarities and differences among and between culturally different people. Several articles and essays that illustrate a few of the issues that concerned professional helpers may be involved in are included. Special attention is given to the consequences of unequal educational, economic, political, and social opportunities for some of our nation's citizens. This book will be a valuable tool for students who are enrolled in their first courses pertaining to professional helpers, teachers, licensed therapists, counselors, business managers, human service practitioners, and community organizers.

Kill the Palestinian...!? Behzad Alamas, 2015-12-10 The book in your hands is not a book of violence and hostility. This book reflects humanity's old dream of having a world full of peace and friendship. The reader of the stories in this book is faced with notions such as humanism, love for peace, and avoidance of violence, prejudice, discrimination, lying, greed, and avarice, and many other humanist notions. This book consists of several short stories. In each of these stories, the author expresses instructive points artistically and tries to make the readers think about the issues of the modern world. After reading each of these stories, the reader's attention is drawn to a supreme, noble human value.

Demons and the Devil in Ancient and Medieval Christianity

Nienke Vos, Willemien Otten, 2011-07-27 This collection of essays approaches the role of demons and the devil in ancient and medieval Christianity from a variety of scholarly perspectives: historical, philosophical, and theological, as well as philological.

liturgical and theoretical In the opening article Gerd Theissen presents a wide ranging overview of the role of the devil spanning the Hebrew Bible the New Testament and patristic literature The contributions that follow address texts on the devil demons and evil and are drawn from ancient philosophy the New Testament early Christian apologetics hagiography and history Covering primarily the patristic period the volume also contains articles on medieval sources The introduction discusses the different angles of approach found in the articles in an effort to shed fresh light on this familiar but also uniquely troubling theme
