

The Goshawk

Chloé Valerie Harmsworth

The Goshawk:

The Goshawk T.H. White, 2007-10-02 This account of one man's tempestuous relationship with the hawk he trained is at once a comedy of errors, a classic of nature writing, and one of the best glimpses into the world of falconry. The predecessor to Helen Macdonald's *H is for Hawk*, T.H. White's nature writing classic *The Goshawk* asks the age-old question: what is it that binds human beings to other animals? White, the author of *The Once and Future King* and *Mistress Masham's Repose*, was a young writer who found himself rifling through old handbooks of falconry. A particular sentence, the bird reverted to a feral state, seized his imagination, and he immediately wrote to Germany to acquire a young goshawk. Gos, as White named the bird, was ferocious and free, and White had no idea how to break him in beyond the ancient practice of depriving him of sleep. Slowly, man and bird entered a state of delirium and intoxication of attraction and repulsion that looks very much like love. White kept a daybook describing his volatile relationship with Gos, at once a tale of obsession, a comedy of errors, and a hymn to the hawk. It was this that became *The Goshawk*, one of modern literature's most memorable and surprising encounters with the wilderness, as it exists both within us and without.

The Goshawk Robert Kenward, 2010-01-30 A large and spectacular bird of prey, the Goshawk lives in boreal forests throughout the Northern hemisphere. *The Goshawk* is an authoritative yet highly readable monograph of the species.

The Goshawk Terence Hanbury White, 1953 What is it that binds human beings to other animals? T.H. White, the author of *The Once and Future King* and *Mistress Masham's Repose*, was a young writer who found himself rifling through old handbooks of falconry. A particular sentence, the bird reverted to a feral state, seized his imagination, and White later wrote: "A longing came to my mind that I should be able to do this myself." The word "feral" has a kind of magical potency which allied itself to two other words: "ferocious" and "free." Immediately, White wrote to Germany to acquire a young goshawk. Gos, as White named the bird, was ferocious, and Gos was free, and White had no idea how to break him in beyond the ancient and though he did not know it, long superseded practice of depriving him of sleep, which meant that he, White, also went without rest. Slowly, man and bird entered a state of delirium and intoxication of attraction and repulsion that looks very much like love. White kept a daybook describing his volatile relationship with Gos, at once a tale of obsession, a comedy of errors, and a hymn to the hawk. It was this that became *The Goshawk*, one of modern literature's most memorable and surprising encounters with the wilderness, as it exists both within us and without.

The Goshawk T. H. White, 2015 With a foreword by Helen Macdonald, author of the multi-award-winning *H IS FOR HAWK*. No hawk can be a pet. There is no sentimentality. In a way, it is the psychiatrist's art: one is matching one's mind against another mind with deadly reason and interest. One desires no transference of affection, demands no ignoble homage or gratitude. It is a tonic for the less forthright savagery of the human heart. First published in 1951, T.H. White's memoir describes, with searing honesty, his attempt to train a wild goshawk, a notoriously difficult bird to master. With no previous experience and only a few hopelessly out-of-date books on falconry as a guide, he set about trying to bend the will of his young bird, Gos, to his own. Suffering setback after setback,

the solitary and troubled White nonetheless found himself obsessively attached to the animal he hoped would one day set him free
