Traders Cay:

In Search of Maya Sea Traders Heather Irene McKillop, 2005 Stone temples rising above the rainforest canopy and elaborate hieroglyphs carved onto stone monuments give silent testimony to the high culture of the Maya ancestors of the indigenous peoples of Central America They have inspired generations of archaeologists professional and avocational to take to the field in search of the past One such archaeologist is Heather McKillop who in 1979 first visited the coast of Belize in search of a little known aspect of ancient Maya life the sea trade that helped move salt obsidian coral and other goods around the interior of the empire In 1982 she began bringing volunteers and students to the islands off the coast of Port Honduras Belize Since then she has returned many times to excavate sites that reveal the scope and diversity of the trade that passed by water throughout the Maya world In this book McKillop tells the story of the search for the Maya sea traders as well as the story of the traders themselves as it emerges from the excavations In Search of Maya Sea Traders describes the trading port of Wild Cane Cay where exotic obsidian jade gold and other goods including highly crafted pots were traded from distant lands McKillop also tells us about the more coastal inland trade of salt seafood and other marine resources Through the story of her own work and that of her students and volunteers McKillop models both the research design and the field work that are required to interpret the civilizations of the past She includes the adventure of discovery the challenges of working in wild environments from snakes and rising sea levels to falling coconuts and the tedium of daily measured digs in a near tropical setting Through her experiences the reader also gets to know some of the local residents of Port Honduras and Wild Cane Cay descendants of the ancient Maya In Search of Maya Sea Traders will appeal to that part of each of us that longs to explore distant places and cultures in quest of a seldom glimpsed past

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
