*Trail Sinister: an Autobiography, Vol. 1* Sefton Delmer, 1961     Trail sinister Sefton Delmer (d1904-), 1961     **Trail Sinister** Sefton Delmer, 1961     **Trail Sinister** James Brumbaugh, 1987     *How to Win an Information War* Peter Pomerantsev, 2024-03-05

From one of our leading experts on disinformation this inventive biography of the rogue WWII propagandist Sefton Delmer confronts hard questions about the nature of information war what if you can't fight lies with truth Can a propaganda war ever be won In the summer of 1941 Hitler ruled Europe from the Atlantic to the Black Sea Britain was struggling to combat his powerful propaganda machine crowing victory and smearing his enemies as liars and manipulators over his frequent radio speeches blasted out on loudspeakers and into homes British claims that Hitler was dangerous had little impact against this wave of disinformation Except for the broadcasts of someone called Der Chef a German who questioned Nazi doctrine He had access to high ranking German military secrets and spoke of internal rebellion His listeners included German soldiers and citizens as well as politicians in Washington DC who were debating getting into the war And most importantly Der Chef was a fiction He was a character created by the British propagandist Thomas Sefton Delmer a unique weapon in the war Then as author Peter Pomerantsev seeks to tell Delmer's story he is called into a wartime propaganda effort of his own the US response to the invasion of Ukraine In flashes forward to the present day Pomerantsev weaves in what he's learning from Delmer as he seeks to fight against Vladimir Putin's tyranny and lies This book is the story of Delmer and his modern investigator as they each embark on their own quest to manipulate the passions of supporters and enemies and to turn the tide of an information war an extraordinary history that is informing the present before our eyes

**Reporting on Hitler** Will Wainwright, 2017-02-02 Allegedly the only man capable of holding the Führer's intense gaze Rothay Reynolds was a leading foreign correspondent between the wars and ran the Daily Mail's bureau in Berlin throughout the 1920s and 1930s The enigmatic former clergyman was one of the first journalists to interview Adolf Hitler meeting the future Führer days before the Munich Putsch While the awful realities of the Third Reich were becoming apparent on the ground in Germany in Britain the Daily Mail continued to support the Nazi regime Reynolds's time as a foreign correspondent in Nazi Germany provides some startling insights into the muzzling of the international press prior to the Second World War as journalists walked uneasy tightropes between their employers politics and their own journalistic integrity As war approached the stakes and the threats from the Gestapo rose dramatically Reporting on Hitler reveals the gripping story of Rothay Reynolds and the intrepid foreign correspondents who reported on some of the twentieth century's most momentous events in the face of sinister propaganda brazen censorship and the threat of expulsion or worse if they didn't toe the Nazis line It uncovers the bravery of the forgotten heroes from a golden age of British journalism who risked everything to tell the world the truth     An Autobiography Sefton Delmer, 1961     Adventure, 1910     *An Autobiography.
