Investigating Unequal Englishes Ruanni Tupas, 2024-05-22 Ruanni Tupas presents rich insights into the inequalities of Englishes and the ways in which these inequalities shape and impact English and multilingual speakers from around the world This edited volume gives a critical take on world Englishes while showcasing for readers the various inequalities in treatment towards the people who speak English differently as well as the injustice in that treatment Research methodologies are explored providing a glimpse into how data are collected and lending a more thorough look into each

study and its conclusions Chapters address the geopolitics of knowledge production in the teaching learning and use of English with strong representations from the peripheries of sociolinguistic studies of English English is constructed as a language which enables socioeconomic mobility which is one factor that increases the importance of research into this issue and this book enables researchers to widen their methods of research and apply them to their area of study A valuable text for academic researchers as well as postgraduate and advanced undergraduate students to better understand the linguistic sociopolitical and epistemic inequality in English communication It also provides readers with alternative perspectives on lingua cultural pluralism to unpack social inequalities and hierarchies that exist today **Gogaku Kenkyū** ,1993 **The illustrated history of the world, for the English people** World,1881 **Using Human Rights Law in English Courts** Murray Hunt,1997-03-01 This book demonstrates the scope that already exists for using international human rights law in English courts *National and English Review* ,1897 *English Teaching Forum* ,1966 *Markets of English* Joseph Sung-Yul Park,Lionel Wee,2013-05-02 The global spread of English both reproduces and reinforces oppressive structures of inequality But such structures can no longer be seen as imposed from an imperial center as English is now actively adopted and appropriated in local contexts around the world This book argues that such conditions call for a new critique of global English one that is sensitive to both the political economic conditions of globalization and speakers local practices Linking Bourdieu s theory of the linguistic market and his practice based perspective with recent advances in sociolinguistics and linguistic anthropology this book offers a fresh new critique of global English The authors highlight the material discursive and semiotic processes through which the value of English in the linguistic market is constructed and suggest possible policy interventions that may be adopted to address the problems of global English Through its serious engagement with current sociolinguistic theory and insightful analysis of the multiple dimensions of English in the world this book challenges the readers to think about what we need to do to confront the social inequalities that are perpetuated by the global spread of English *American and English Railroad Cases, New Series* ,1906 **A Short History of the English People. With Maps and Tables** John Richard Green,1874 **English Society in the Eighteenth Century as Influenced from Oversea** Jay Barrett Botsford,1924 *History of the English People* John Richard Green,1882 *A Short History of the English People* John Richard Green,1892 **The Westminster Review** ,1882 *The American and English Annotated Cases* ,1906 **The English and Frenchin North America, 1689-1763. 1887** Justin Winsor,1887 *Church Missionary Intelligencer and Record* ,1875
