Vispera Negra:

Vispera negra José G. Ceballos, 2004 Post/Colonialism and the Pursuit of Freedom in the Black Atlantic Jerome C Branche, 2018-01-19 Post Colonialism and the Pursuit of Freedom in the Black Atlantic is an interdisciplinary collection of essays of wide historical and geographic scope which engages the legacy of diaspora colonialism and slavery The contributors explore the confrontation between Africa s forced migrants and their unwelcoming new environments in order to highlight the unique individual experiences of survival and assimilation that characterized Atlantic slavery As they focus on the African or Afro diasporan populations under study the chapters gauge the degree to which formal independence coming out of a variety of practices of opposition and resistance lasting centuries in some cases has translated into freedom security and a good life By foregrounding Hispanophone Lusophone and Francophone African and Afro descendant concerns over and against an often Anglo centric focus in the field the book brings a more representative approach to the area of diaspora or Black Atlantic studies offering a more complete appreciation of Black Atlantic cultural production across history and across linguistic barriers
