The Gospels In Current Study:

Studies in the Early Text of the Gospels and Acts D. G. K. Taylor, 1999-01-01 No Marketing Blurb Word Studies in the New Testament: The synoptic Gospels, Acts of the Apostles, epistles of Peter, James, and Jude Marvin R. Vincent, 1901

The Gospel behind the Gospels Ronald A. Piper, 2014-04-09 The Gospel Behind the Gospels portrays all the major areas of current discussion and debate regarding the early source of Jesus sayings known as Q Sixteen gospel scholars have advanced the debate about this source's nature history and significance Contributors discuss Q's existence its relationship to Mark's gospel and to the Gospel of Thomas its genre its redactional history with special reference to the Son of Man and to wisdom and prophetic traditions its social history with respect to family structures and the Cynics a feminist analysis of Q its significance for the historical Jesus and for Jesus parables The volume sheds important light on Jesus and Christian origins as well as upon Q itself and it is significant for the diversity of major North American European and Japanese scholarship which is represented

Rethinking the Gospel Sources Delbert Royce Burkett, 2009 Burkett offers a new viewpoint on the much debated Synoptic Problem He contends that each theory regarding the Synoptic Problem is problematic Each presents a case for the mutual dependence of one source upon another for example Matthew and Luke depend primarily on Mark but use each other where they report the same story not contained already in Mark Neither Mark nor Matthew nor Luke served as the source for the other two but all depended on a set of earlier sources now lost The relations between the Synoptic Gospels are more complex than the simpler theories have assumed

The Gospels and the gospel, recent results of the lower and the higher criticism George Robert Stow Mead, 1902 *Heaven and Earth in the Gospel of Matthew* Jonathan T. Pennington, 2007 A much overlooked aspect of the Gospel of Matthew is the theme of heaven and earth Rather than being a reverential circumlocution for God heaven in Matthew is part of a highly developed discourse of heaven and earth language Matthew's idiolectic way of using heaven language consists of four aspects 1 a distinction in meaning between singular and plural forms of ouranos 2 frequent use of the heaven and earth word pair 3 regular reference to the Father in heaven and 4 the recurrent use of the Matthean expression kingdom of heaven This book examines the historical precedents for each of these aspects and shows in Matthew how they serve one overriding theological purpose to highlight the tension that currently exists between heaven and earth or God and humanity while looking forward to its eschatological resolution

Studies in Social Progress in the Gospel of the Kingdom, 1914 The Words of Jesus in the Gospel of Thomas David W. Kim, 2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion
