Trail Of Murder:

The Whole Truth H. L. Pohlman, 1999 On May 13 1988 Stephen Roy Carr a so called mountain man living in Michaux State Forest in southcentral Pennsylvania shot two female hikers while they were making love at a campsite near the Appalachian Trail Rebecca Wight died at the scene Claudia Brenner despite five bullet wounds survived to testify against her attacker In this book H L Pohlman reconstructs the dramatic story of this murder case and traces its disposition through the criminal justice system Drawing on interviews with participants as well as court records he closely examines competing interpretations of the evidence Was the attack a hate crime A sex crime A class crime At the same time he shows how a broad range of substantive and procedural issues from the rights of the accused to evaluation of potential mitigating circumstances can influence the assessment of culpability in homicide cases Much of Pohlman s analysis centers around two fundamental and related questions To what extent did the adversarial system facilitate or hinder the discovery of the whole truth in the Carr case And was justice served Pohlman concludes by revisiting the ongoing debate over the nature of the American criminal justice system and the legitimacy of its ultimate sanction the death penalty Trail of Murder Christine Andreae, It began with a phone call about a phone call For Lee Squires this particular phone call couldn t have come at a better time English professor poet and professional house sitter Lee is wallow ing in the heat and humidity of a Washington D C summer and in the self pity and depression that have been shadowing her life for some time It seems that a friend of hers has given her name to Pete Bonsecours a Montana wilderness outfitter desper ately in need of a replacement cook for an upcoming trail ride across the Continental Divide Lee is more than ready for a change of pace so it doesn t take much to convince her to sign on as the new cook Within days Lee is on her way out to Montana and the Bob Marshall Wil derness Armed with everything from sleeping bag long underwear bathing suit and sunscreen to her old cast iron Dutch oven and a thermos filled with sourdough starter Lee is ready for anything anything but murder Filled with the fascinating details of a full blown trail ride and the gripping suspense of a taut murder mystery **Murder on the Switzerland Trail** Mike Befeler, 2020-07-23 After a man is murdered during a trip on the Switzerland Trail of America railroad police officer Harry McBride sorts through the suspects among the passengers in the hope of finding the killer before the train returns to Boulder **Trail of Murder** Christine Andreae, 1992-12-01 **The Texas Criminal Reports** Texas.
