Difference between simple and complex views

Simple views

- **A simple view is one that :**
  - Derives data from one table.
  - Contains no functions or group of data.
  - Can perform DML operations through view.

Example:

CREATE VIEW emp_view AS

SELECT f_name, salary from Employees

WHERE dep_id=90;

Complex views

- **A complex view is one that:**
  - Derives data from many tables.
  - Contains functions or group of data.
  - Does not always allow DML operations through view.
  - In particular, complex views can contain:
    - -join condition
    - -Distinct
    - -Pseudo columns
    - -Group By clause
    - -Having clause

Example:

CREATE VIEW comp_view AS

SELECT
   e.f_name,e.emp_id,e.job_id,e.dep_id,d.dep_id,d.location

WHERE e.dep_id=d.dep_id;

Views Of Difference:

    Views of Difference Catherine King,1999-01-01 Views of Difference Different Views of Art is the fifth of six books in the series Art and its Histories which form the main texts of an Open University course The course has been designed for students who are new to the discipline but will also appeal to those who have undertaken some study in this area This fifth volume focuses both on the creation and critique of western viewpoints on art and its histories and on the idea of cultural difference entailed in the concept of non western art **Views of Difference** Nicola Durbridge,2001 Difference In View: Women And Modernism Gabriele Griffin,2003-09-02 This collection of essays challenges conceptions of high modernism its preoccupation with style at the expense of issues such as race class and gender and its exclusive focus both on predominately male writers poetry and prose fiction by highlighting the diversity of cultural production in the modernist period This book focusses specifically on women s cultural production covering a wide range of arts and genres including chapters on painting theatre and magazines The book investigates how women usually constructed as others themselves construct others in their work in a period prominently concerned with the construction of self as an issue This diversity offers a new format of reading modernism in a cross disciplinary context *Explanation and Understanding* Arnon Levy,2025-06-30 Science has multiple goals to describe the world as it is now to predict the future and to make inferences about the past Science also aims to understand the world to explain why it is the way it is But what does it take to explain a phenomenon How does science generate understanding and what does that take In this thorough and clearly written introduction to scientific explanation Arnon Levy explores the following problems and questions the background to the topic of scientific explanation particularly the questions of what an explanation is what makes a good explanation and why seek them in the first place empiricism about explanation Hempel s deductive nomological model and its problems unificationism about explanation must good scientific explanations fit into an overall explanatory store causation and explanation Lewis s description based model Woodward s interventionist view and Strevens s criterion of selection theory connections between explanation and understanding models idealization and explanation non causal explanation and explanation in non scientific contexts the nature of understanding Additional features such as chapter summaries suggestions for further reading and a glossary make this an excellent resource for students of philosophy of science metaphysics and epistemology **Records** ,1878 **Theories of Human Nature - Third Edition** Peter Loptson,2006-01-06 This book explores the idea of human nature and the many understandings of it put forward by such diverse figures as Aristotle Rousseau Marx Freud Darwin and E O Wilson Each chapter looks at a different theory and offers a concise explanation assessing the theory s plausibility without forcing it into a mould Some chapters deal with the ideas of only one thinker while others such as the chapters on liberalism and feminism present a variety of different positions A clear distinction is made between theories of human nature and the political theories which so often follow from them For the new edition Loptson has addressed the new developments

in the rapidly expanding genetic and paleontological record as well as expanded the discussion of the Christian theory of human nature by incorporating the ideas of the Marx scholar and social theorist G A Cohen The new edition has also been substantively revised and updated throughout *Public Opinion and Lord Beaconsfield, 1875-1880* George Carslake Thompson,1886 **The party system. Public opinion. Illustrations and reflections. Social institutions** James Bryce Bryce (Viscount),1891 **Intercultural Competence in Organizations** Alex Matveev,2016-11-18 This book addresses one of the most critical issues facing global business leaders and the multicultural workforce how to work and relate effectively in the intercultural contexts The author presents business professionals practitioners and academics with the Collaborative Intercultural Competence Model Based on solid theoretical assumptions and real intercultural experiences this model is to help professionals work more effectively across and within cultures This book expands the traditional presentation of existing knowledge by providing a unified discussion of intercultural communication and its conceptual foundations The book offers readers with a contemporary insight into the intercultural competence phenomenon and highlights the basis for its experience based inquiry assessment and development A distinctive feature of Intercultural Competence in Organizations is its comprehensive coverage of the intercultural competence framework from both communication and organizational behavior perspectives This book does not cover traditional areas of international business international management global management strategy and policy and cross cultural comparative management but focuses on theoretical foundations of intercultural competence and intercultural competence research and practice The author describes the complex nature of intercultural competence in a straightforward format which helps professionals practitioners and students to envision a variety of intercultural situations in which they may behave competently Thus the conceptual acumen of this title is to understand the premises of intercultural competence embrace its theoretical assumptions see its practical applicability and advance individual intercultural competence Featuring examples and skill development exercises this book will be appealing to professionals practitioners students academics and policy makers in the field of international business management and communication Dr Matveev challenges his readers to develop their intercultural competence so as to make themselves more effective more humane and more socially skilled in a world that increasingly involves extensive contact across various groups of people from the Foreword by Richard W Brislin University of Hawaii Dr Matveev creates an awareness of intercultural competence by exposing the reader to the theoretical concepts and practical tools Business people and academics will use this book to recognize and leverage the benefits of cultural diversity Berthold Mukuahima Director of Human Capital Ohlthaver List Group Namibia Dr Matveev reveals how intercultural competence of professional multicultural teams helps in achieving corporate competitive advantage and longevity in a challenging globalized world This book is very useful for managers scholars and students who want to elevate the efficacy of intercultural relationship in their professional and personal lives Sre ko ebron Management Board Member Sava Reinsurance Company Slovenia div   The Professional
