## **Virgin Martyrs:**

Virgin Martyrs Karen Anne Winstead,1997 That sequence was embellished by incidents emblematic of the specific saint Juliana s battle with the devil Barbara s immurement in the tower Katherine s encounter with spiked wheels **Virgin Martyrs** Karen A. Winstead,2018-05-31 Stories of the torture and execution of beautiful Christian women first appeared in late antiquity and proliferated during the early Middle Ages A thousand years later virgin martyrs were still the most popular female saints Their legends in countless retellings through the centuries preserved a standard plot the heroine resists a pagan suitor endures cruelties inflicted by her rejected lover or outraged family works miracles and dies for Christ That sequence was embellished by incidents emblematic of the specific saint Juliana s battle with the devil Barbara s immurement in the tower Katherine s encounter with spiked wheels Karen A Winstead examines this seemingly static story form and discovers subtle shifts in the representation of the virgin martyrs as their legends were adapted for changing audiences in late medieval England *Chaste Passions* Karen Anne Winstead,2000 Virgin martyrs make up one of the largest categories of medieval saints To judge by their frequent appearances in art and literature they also figure among the most venerated The legends of virgin martyrs retold in various ways through the centuries illuminate trends in popular piety values and literary tastes *Chaste Passions* contains sixteen English virgin martyr legends each of a different saint and each translated into colloquial modern English prose Faithful in tone and meaning to the originals Karen Winstead s lively translations allow contemporary readers to appreciate why virgin martyr legends thrived for hundreds of years Winstead presents the tales in chronological order tracing the effects of the composition and tastes of the audience on the development of the genre The virgin martyr Winstead tells us escapes the confining female stereotypes demure maiden or disruptive shrew prevalent in writings of the period Because nearly all of the texts were written by men but addressed to women they exhibit a fascinating interplay between male views of so called women s literature and the demands of their intended audience Familiarity with this widely read genre is essential to a full understanding of medieval culture and *Chaste Passions* is an excellent introduction to these often racy sometimes comic tales **Virgin Saints and Martyrs** S. Baring-Gould,2021-01-01 In the second century Lyons was the Rome of Gaul as it is now the second Paris of France It was crowded with temples and public monuments It was moreover the Athens of the West a resort of scholars Seated at the confluence of two great rivers the Rh ne and the S one it was a centre of trade It is a stately city now It was more so in the second century when it did not bristle with the chimneys of factories pouring forth their volumes of black smoke which the atmosphere moist from the mountains carries down so as to envelop everything in soot **Virgin Martyrs** Michael J. K. Fuller,2011 In modern times the medieval stories of the saints have been either simply ignored or have been interpreted as colorful examples of cultural history all the while ignoring their central character and initial purpose Christ But the legends and stories of the saints were always told within and around the sacramental and liturgical life of the Church In other words the saints were tools in preaching and

promoting the Gospel of Christ This clearly written book is a search for a way to read the medieval legends of the saints all saints through the stories of the Virgin Martyrs so that that their original and powerful stories speak to us once again The stories of all the saints were written by people who were immersed in the Scriptures and who lived and breathed the words images ideas symbols poetry **Virgin Saints and Martyrs** Sabine Baring-Gould,1900 **Martyrs and saints of the first twelve centuries, by the author of 'Chronicles of the Schönberg-Cotta family'**. Elizabeth Rundle Charles,1887
