## **Virtual Stranger:**

**Virtual Strangers** Lynne Barrett-Lee, 2014-05-05 Fed up frustrated and fast approaching forty Charlie Simpson hasn't had many high points in her life just lately The only peak on the horizon is her ambition to climb Everest if she could only get organised and save up the cash Unfortunately though she has more pressing things to deal with her eldest son moving out her father moving in and her best friend moving two hundred miles away She finds solace however via her newly acquired modem when she stumbles upon a stranger who's a like minded soul Like minded perhaps but no fantasy dream date Though virtual he's of the real life variety he may be a hero but he has a wife Charlie hasn't got a husband but she certainly has principles and they're about to be hauled up a mountain themselves And of course her mum's always said she shouldn't talk to strangers The question is is now the time to start breaking the rules A fantastic book that gets you hooked from the first page New Woman It's wonderfully funny and rather inspiring I enjoyed it hugely and I confess I read it all in one go wolfing it down like a delicious box of chocolates Judy Astley A charming and optimistic novel about modern love Hello Magazine A laugh out loud read Real magazine I absolutely loved it hooray for Julia this is funny original well written and unguessable I had no idea how it would end It also has the very best closing paragraph I've read in years Completely wonderful dazzlingly entertaining unputdownable Jill Mansell

**The City on Screen: Modern Strangers of Cinematic Istanbul** Sertaç Timur Demir, 2024-01-02 The City on Screen Modern Strangers of Cinematic Istanbul attempts to analyze how Istanbul is captured through the projector in other words the ontological relationship between city and film and how it is elaborated within the context of Istanbul and the sense of strangerhood This book shifts the axis of Istanbul typically known as a touristic city to its underlying details through the strangers in the modern city Five different films set in this region are analyzed in the text that help to reveal and clarify the socio-urban life of modern Istanbul The characters and stories in these films tell how Istanbul has socially and architecturally become a city of strangers The films analyzed include A Touch of Spice 2004 Men on the Bridge 2009 A Run for Money 1999 Distant 2002 and 10 to 11 2009 The theoretical framework of this book is based on the works of Georg Simmel Zygmunt Bauman and Richard Sennett These three thinkers have all attempted to look for answers to the sociological question of strangerhood in urban living This book accomplishes this connection by discussing the similarities and differences between each of their theories regarding the city cinema and strangerhood
