Hospital Management Howard S. Rowland, Beatrice L. Rowland, 1984 *El ministerio del cuidado congregacional: Guía para la implementación* Karen Lampe, Melissa Collier Gepford, 2024-01-17 Aprenda a desarrollar implementar y sostener un ministerio de cuidado congregacional en su iglesia sin importar el tamaño o su forma o a la denominación a la cual pertenezca Los pastores y líderes de la iglesia realmente quieren cuidar a las personas en sus congregaciones y comunidades No obstante ellos no pueden cuidar a una iglesia por sí solos Además la mayoría del liderazgo laico no tiene la capacitación requerida para ejercer este ministerio de cuidado El Ministerio del Cuidado Congregacional es un modelo del cuidado de persona a persona el cual su efectividad ha sido comprobada en iglesias pequeñas y grandes en los EE UU Es un ministerio centrado en el servicio del laicado Estos líderes reciben una capacitación rigurosa y luego son comisionados para servir como ministros del cuidado congregacional MCC para brindar el cuidado en sus congregaciones y comunidades extendidas Este notable enfoque del cuidado congregacional fue primeramente desarrollado por la autora Karen Lampe junto con su equipo en la Iglesia Metodista Unida de la Resurrección en Kansas City El mismo ha sido probado refinado y fortalecido y ahora se está adaptando a todo tipo de contextos congregacionales Una de las primeras adaptadoras de este modelo fue la coautora Melissa Gepford quien desarrolló un Ministerio del Cuidado Congregacional en su iglesia rural Juntas han creado esta guía inmensamente práctica para cualquier pastor pastora o líder que busque desarrollar un Ministerio del Cuidado Congregacional Este libro presenta el modelo de ministerio y explica los cinco pasos esenciales que establecen el fundamento para el ministerio Es extremadamente práctico lleno de listas de verificación y otras herramientas para ayudar a los pastores y a otros líderes a comprender y explicar esta forma de brindar el cuidado congregacional El libro también incluye una sección enfocada en el componente vital de este ministerio el ministro la ministra del cuidado congregacional o el la MCC Esta sección describe completamente las características de los MCC tales como reclutar personas para este ministerio cómo discernir quiénes son los candidatos ideales para el ministerio y cómo llevar a cabo la capacitación de los MCC durante un período de varias semanas Detalla además información importante que los MCC deben saber y los comportamientos y hábitos que deben practicar para ser efectivos en el desempeño del ministerio Learn to build launch and sustain a congregational care ministry in your church no matter the size type or denomination Pastors and church leaders genuinely want to care for people in their congregations and communities But pastors cannot care for an entire church and most laypersons don't have the training to do it The Caring Congregation Ministry is a model for person to person care that's been proven to work in small and large churches across the U S It is a laity centered ministry where laypersons receive rigorous training and then are commissioned to serve as Congregational Care Ministers caring for others in their own congregation and their extended community This remarkable approach to congregational care was first developed by author Karen Lampe and her team at The United Methodist Church of the Resurrection in Kansas City It has been tested refined and strengthened and is now being adapted

in all sorts of congregational settings One early adapter was co author Melissa Gepford who launched a Caring Congregation Ministry in her own rural church Together they have created this immensely practical guide for any pastor or leader seeking to create a congregational care ministry This book introduces the ministry model and explains the Five Essentials that form the ministry s foundation It is extremely practical full of checklists and other tools to help pastors and other leaders understand and explain this way of providing congregational care The book also includes a section focused on the crucial component of this ministry the Congregational Care Minister or CCM This section fully describes the characteristics of CCMs how to recruit people to this ministry how to discern if candidates are a good fit and how to conduct the CCM training over a multi week period It details the critical information CCMs must know and the behaviors and habits they must practice in order to be effective
