**Educate the Heart** Jennifer Lee Quattrucci, 2019-08-21. In a world where children are rushed from place to place, often on devices, teachers need to create an environment where they are given time and allowed to focus, to think, to create, and to learn. This book provides over 100 screen-free ideas and activities to help teachers of students in preK-Grade 6 inspire authentic learning in their classroom. Teachers will learn how to promote peace all day by empowering students to handle conflict through kindness. They will see how effectively implementing collaborative work space can transform the classroom into a respectful learning community. There are literature-based lesson plans which cover a great variety of subjects and skills such as reading, writing, language arts, mathematical discourse, movement, and cooking. Teachers will find ways to engage students in collaborative work, critical thinking skills, and find out how to encourage innovative ways to solve problems through creativity with STEM challenges and meaningful curriculum-based art projects. Teachers will discover ways to build community with a growth mindset approach to classroom discipline. The ideas and activities in this book are designed with the whole child in mind, catering to providing the best possible environment and activities to allow students to feel valued and be nurtured in a way that inspires them to reach their true potential.
