*The Innocent Perception* Frank F. Atanacio, Zaccaria, April, 2003-11-01 This novel has begun to penetrate the nightmarish realms of non ordinary reality Its dramatic accounts will keep you gasping for air when the main character journeys through his own mind searching for peace for his son who died in an accident He is visited by his sister who also died several years back and she wants him to contemplate suicide She emcees the story until the main character is challenged by evil within He questions the existence of God and he sees visions of past loves and friends The healing of his soul comes in several parts as he chooses to help his son who is being victimized in the after life He needs to stop a dark winged creature and needs to help stop the invasion of evil souls called A a A Breathers A a A He was told by a visiting spirit that in order to save the recently dead many of the living must die ItA a s a challenging novel that may put you at odds with God and may make you think that life after death is simply an innocent perception Allen Santoro has challenged the darkness even when his conscious mind is fully awake His thoughts of saving the people he loves keep him flickering in the darkness His mind is tossed in a whirlwind and he believes that suicide is the only way to recover the wounded souls Overwhelming Methodology of Deception Max Adam Duncan, 2022-05-04 There was a dilemma with writing this book In order to understand the tip of the iceberg it s necessary to understand the iceberg Unfortunately if you don t believe the tip of the iceberg you re certainly not going to believe the iceberg Jesus said If I tell you earthly things and you don t believe me how can I tell you heavenly things It took me about ten years but I finally made the iceberg believable and understandable to most people The book involves government conspiracy which is the very tip of the iceberg The book explains the iceberg first and works its way up to conspiracy To understand the iceberg it was necessary to push the envelope of the conventional realm of perceived reality and go into metaphysics galactic allies and galactic enemies The book explains how humanity is going to go through a transitional period and into a new paradigm of experience Although this book often quotes from God what we call God and Jesus it s unquestionably not a religious book *Jesus' Course in Miracles* ,2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensible in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course *Working with Adults with a Learning Disability* Alex Kelly, 2018-10-24 A comprehensive and practical resource for all speech and language therapists and students this book covers all aspects of working with this client group Written by the author of the hugely successful Talkabout each section gives the reader a theoretical background of the subject under discussion practical suggestions and formats for assessment a
