Work And Spirit:

Working With Spirit Lucy Reid, Fred Evers, 2004-08-01 How does spirituality relate to our everyday working lives Can the challenges of work stress burnout time famine and conflict be addressed by our beliefs and spiritual practices Lucy Reid and Fred Evers argue that spirituality in the workplace is neither a strategy to placate unhappy workers nor an invasion by religious agenda It is instead the pursuit of meaning and integrity the attentiveness to deep questions and the unleashing of creativity by which our work is transformed and sanctified Written from the perspective of a priest and a sociologist Working With Spirit deals on the personal corporate and societal levels It suggests ways to heal working relationships and integrate spiritual truths It includes a compendium of resources to provide practical ways of engaging spirituality to meet challenges in the workplace today *The Spiritual Man* Watchman Nee, 1998 An intriguing exploration of the great transition between life and the after life

Spiritual Reading Angela Lou Harvey, 2015-10-23 Reading Scripture is a spiritual practice at the very heart of the Christian faith But how is it possible to encounter God in reading the words of the Bible Does reading the Christian Bible require a different approach from how one may read other texts or writings What is required of the spiritual reader to read well Seeking to answer such questions Angela Lou Harvey provides a theological exploration of the idea of spiritual reading in the context of the Western church today Drawing upon insights of theologians such as Karl Barth Henri de Lubac and Ellen F Davis the author suggests that the particulars of Christian belief profoundly shape the distinctive practice of the spiritual reading of the Bible

Divinity Ev. Paul Mukendi, 2017-05-31 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ
