**Colleen M. O'Neill**

## **Work Culture Identity:**

**Culture, Self-identity, and Work** Miriam Erez, P. Christopher Earley, 1993 Aimed at business executives and students of business managerial and organizational courses this volume focuses on how managerial practices influence work behaviour and how these practices relate to the components of culture and self identity

**Organizational Culture and Identity** Martin Parker, 2000-01-28 Organizational Culture and Identity discusses the literature concerned with culture in organizations and explains why the term has been invoked with such enthusiasm Martin Parker presents further ways of thinking about organizations and culture which suggest that organizational cultures should be seen as fragmented unities in which members identify themselves as collective at some times and divided at others

**National Culture and Groups** Ya-Ru Chen, Elizabeth A. Mannix, Margaret Ann Neale, R. Wageman, 2006-07-04 Based on the premise that in an era of rapid globalization while there is a great deal of convergence on many aspects of group processes and interactions across national cultures it is the understanding and appreciation of the divergence among people of different national cultural backgrounds that make all the difference

Work and Society Tim Strangleman, Tracey Warren, 2008-04-10 Work and Society provides a comprehensive investigation of the major trends in work and employment The changing social order and its impact upon the labour market in recent years alongside the huge changes brought about by new technology and globalization are considered

Recruitment, Retention, and Engagement of a Millennial Workforce Stephanie A. Smith, 2018-10-15 The millennial generation is unique in various ways particularly with regard to their career aspirations and expectations Due to their reputation as job hoppers recruiting millennials is not enough Retention of a millennial workforce is imperative for organizational success and longevity This book explores the expectations held by millennials and the ways in which they differ from those of past generations It covers a broad range of topics including onboarding work life balance stress retention after a crisis boredom internships and how employers can best leverage mobile platforms for increased engagement

*The Night Trains* Charles van Onselen, 2021-02-01 This seminal book reveals how black labor was exploited in twentieth century South Africa the human costs of which are still largely hidden from history It was the people of southern Mozambique bent double beneath the historical loads of forced labor and slavery then sold off en masse as contracted laborers who paid the highest price for South African gold An iniquitous intercolonial agreement for the exploitation of ultra cheap black labor was only made possible through nightly use of the steam locomotive on the transnational railway linking Johannesburg and Lourenço Marques These night trains left deep scars in the urban and rural cultures of black communities whether in the form of popular songs or a belief in nocturnal witches trains that captured and conveyed zombie workers to the region's most unpopular places of employment By tracing the journeys undertaken by black migrants Charles van Onselen powerfully reconstructs how racial thinking expressed logistically reflected the evolving systems of segregation and apartheid On the night trains the last stop was always hell

*Explorations in African History: Reading Patrick Harries* Veit Arlt, Stephanie

Bishop,2015-06-12 This collection of essays documents the growth of African history as a discipline at the University of Basel since 2001 It thus pays tribute to fourteen years of research and teaching by Patrick Harries at the Department of History and the Centre for African Studies Basel The Festschrift covers a broad range of topics from mine labour to missionary endeavour and the production of knowledge reflecting some of his core research interests The contributions engage with Patrick Harries oeuvre with reference to the authors own scholarship or vice versa Some directly address his publications while others take his teaching correspondence remarks or intellectual life more broadly as a point of reference They all pay tribute to a brilliant and inspiring scholar a great teacher and a kind person Working the Navajo Way Colleen M.

O'Neill,2005 O Neill chronicles a history of Navajo labor that illuminates how cultural practices and values influenced what it meant to work for wages or to produce commodities for the marketplace Through accounts of Navajo coal miners weavers and those who left the reservation in search of wage work she explores the tension between making a living the Navajo way and working elsewhere BOOK JACKET *Sociological Abstracts* Leo P. Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Taking Brand Initiative** Mary Jo Hatch,Majken Schultz,2008-03-07 Taking Brand Initiative offers a revolutionary approach to corporate branding that looks beyond the marketing value of brands company to customer and the HR significance of brands company to employee It places the management of brands at the senior level of management as it radiates throughout the organization In this groundbreaking book international branding thought leaders Mary Jo Hatch and Make Schultz explain how a company s brand is just as important to outsiders politicians suppliers and analysts as it is to company insiders They show how only the corporate brand can integrate all the company s staff functions and provide a vision for competition and globalization

**Social Identity at Work** S. Alexander Haslam,Daan van Knippenberg,Michael J. Platow,Naomi Ellemers,2014-04-04 Social identity research is very much on the ascendancy particularly in the field of organizational psychology Reflecting this fact this volume contains chapters from researchers at the cutting edge of these developments Technical Series United States. Bureau of Entomology,1906 Walking a Tightrope James Muzondidya,2005 **Frontier Dynamics** David McDermott Hughes,1999 **Seeing Nature Through Gender** Virginia Scharff,2003 Environmental history has traditionally told the story of Man and Nature Scholars have too frequently overlooked the ways in which their predominantly male subjects have themselves been shaped by gender Seeing Nature through Gender here reintroduces gender as a meaningful category of analysis for environmental history showing how women s actions desires and choices have shaped the world and seeing men as gendered actors as well In thirteen essays that show how gendered ideas have shaped the ways in which people have represented experienced and consumed their world Virginia Scharff and her coauthors explore

interactions between gender and environment in history Ranging from colonial borderlands to transnational boundaries from mountaintop to marketplace they focus on historical representations of humans and nature on questions about consumption on environmental politics and on the complex reciprocal relations among human bodies and changing landscapes They also challenge the ecofeminist position by challenging the notion that men and women are essentially different creatures with biologically different destinies Each article shows how a person or group of people in history have understood nature in gendered terms and acted accordingly often with dire consequences for other people and organisms Here are considerations of the ways we study sexuality among birds of William Byrd s masking sexual encounters in his account of an eighteenth century expedition of how the ecology of fire in a changing built environment has reshaped firefighters own gendered identities Some are playful as in a piece on the evolution of snow bunnies to shed betties Others are dead serious as in a chilling portrait of how endocrine disrupters are reinventing humans animals and water systems from the cellular level out Aiding and adding significantly to the enterprise of environmental history Seeing Nature through Gender bridges gender history and environmental history in unexpected ways to show us how the natural world can remake the gendered patterns we ve engraved on ourselves and on the planet

The Working Principles of Rhetoric Examined in Their Literary Relations and Illustrated with Examples John Franklin Genung,1900      **Making San Francisco American** Barbara Berglund,2007
