

A close-up, high-contrast photograph of a woman's face, focusing on her eyes and lips. Her eyes are closed, and a single, bright red tear is falling from her right eye. Her lips are painted a vibrant, glossy red. In the lower-left corner, a dagger with a colorful, patterned blade is positioned diagonally, its tip pointing towards the center of the frame. The background is dark and out of focus.

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
