Sweet Pain:

Guruji Guy Donahaye, Eddie Stern, 2010-07-14 AN UNPRECEDENTED PORTRAIT OF A GREAT YOGA TEACHER AND THE WAYS IN WHICH TEACHINGS AND TRADITIONS ARE PASSED ON It is a rare and remarkable soul who becomes legendary during the course of his life by virtue of great service to others Sri K Pattabhi Jois was such a soul and through his teaching of yoga he transformed the lives of countless people The school in Mysore that he founded and ran for more than sixty years trained students who through the knowledge they received and their devotion have helped to spread the daily practice of traditional Ashtanga yoga to tens of thousands around the world Guruji paints a unique portrait of a unique man revealed through the accounts of his students Among the thirty men and women interviewed here are Indian students from Jois s early teaching days intrepid Americans and Europeans who traveled to Mysore to learn yoga in the 1970s and important family members who studied as well as lived with Jois and continue to practice and teach abroad or run the Ashtanga Yoga Institute today Many of the contributors as well as the authors are influential teachers who convey their experience of Jois every day to students in many different parts of the globe Anyone interested in the living tradition of yoga will find Guruji richly rewarding **Shout It Out Loud** James Campion, 2015-10-01 How does an underground oddity become a cultural phenomenon For over 40 years the rock band Kiss has galvanized the entertainment world with an unparalleled blitz of bravado theatricality and shameless merchandizing garnering generations of loyally rabid fans But if not for a few crucial months in late 1975 and early 1976 Kiss may have ended up nothing more than a footnote Shout It Out Loud is a serious examination of the circumstance and serendipity that fused the creation of the band s seminal work Destroyer including the band s arduous ascent to the unexpected smash hit Alive the ensuing lawsuits between its management and its label the pursuit of the hot young producer a grueling musical boot camp the wildly creative studio abandon the origins behind an iconic cover the era s most outlandish tour and the unlikely string of hit singles Extensive research from the period and insights into each song are enhanced by hundreds of archived materials and dozens of interviews surrounding the mid 70s era Kiss and its zeitgeist New interviews with major principals in the making of an outrageously imaginative rock classic animate this engaging tale **Ranolf and Amohia** Alfred Domett, 1883 **Confession of an Immortal Lover** Mr. Benoi Nair, 2015-10-22 Once in a lifetime everyone falls in love and if your feelings are true the entire universe conspires in your fairy tale However I wish to reflect on the dark part of love and how the pain is equally enjoyable when you have an incomplete story to tell Yes its not poetry or a sonnet but a story that I wish readers to experience especially the youth As the title does not suggest the book is actually a collection of heart written poems that portray honest confession of an immortal lover The words deployed in this book are true feelings garnered in the most beautiful and simple manner in a language that only a lover can understand The book is dedicated to the one who left an imperfect me in this perfect world that still fails to accept me and to the madness that made me write through these sleepless nights Some stories remain incomplete

incomplete forever Writing these stories is an immortal lover
