Sweeter Life:

Sweeter Life Tim Wynveen, 2011-01-21 Tim Wynveen winner of the Commonwealth Writers Best First Book prize has outdone himself with his new novel masterfully weaving themes of creativity memory time loss and reconnection into the fragmented lives of the Owen family Ten years after their parents die in a car accident Cyrus Isabel and Hank Owen are still trying to put their lives in order Hank the eldest is in prison The second born Isabel is on the verge of divorce Cyrus the youngest in the family is consumed by a crazy dream to one day become a rock star Three siblings three solitary figures looking for a way forward three separate melodic lines that when they meet cause more dissonance than harmony As the story begins Cyrus quits school and hits the road with the Jimmy Waters Revival a curious entertainment that combines the southern fire of a Jimmy Swaggart with the oral narratives of a modern day Homer Even within his adopted musical family Cyrus struggles to find his way too caught up in his dream to see his life for what it really is and after twelve years of wandering he returns home a broken man Yet his time on the road has taught him how important it is to strike a balance between individual and group soloist and ensemble lessons that will serve Cyrus well when he tries to make a new start with Hank and Isabel As he pays more attention to the needs of his fractured family and old friends he begins to create for the first time in his life the sweet and elusive music of human connection

A Place Called Heaven E. M. Bounds, 2003-11-01 If heaven is truly a paradise where God dwells we should desire it more than anything on this frail fleeting earth The trials and difficulties of life should each be seen in light of the coming glory of heaven Unfortunately we rarely view things from this perspective Our schedules are filled with the present allowing no time for contemplating or desiring eternity Our incorrect perspective makes us spend our time on the least important things while ignoring those things that are most crucial Take a break from the present and let E M Bounds help you discover A Place Called Heaven Examining virtually all the Scriptures that pertain to heaven Bounds masterfully explains the nature of heaven and our purpose in it Get a taste of heaven here on earth learn a true Christian attitude toward eternity and discover a purer truer life
