[Mitch and Mooch Try Swimming](#) Jan Foster, 2020-03-01 Mitch and Mooch are about to test the water in a new adventure swimming lessons Will the funny funky monsters sink or swim as they conquer their fears and overcome the unexpected The perfect book to introduce your child to swimming this charming story includes helpful tips on how to prepare what to expect and answers common questions about swimming Ideal for children starting to read independently or as a conversation starter this colourful comic style book uses dyslexia friendly font and includes comprehension questions throughout If you want to encourage trying out new activities and overcoming fears get your goggles on and have some monster fun with Mitch and Mooch today Funny and helpful this book will support any child starting their swimming journey Simon Swim School Owner Teacher Mitch and Mooch try books are designed for children aged 3-7 They aren't just fun stories however the series is designed with the following educational enhancements Dyslexic friendly font designed to make it easier for children to differentiate the individual letters so that they can blend the words correctly Text is also against a coloured background and broken up into manageable chunks Comic style dialogue why not have fun putting on silly voices for the characters Gentle introduction to what to expect from a first lesson in each activity the books can also be used to support parents encouraging children with SEN needs who may be wary of new environments Inclusive Mitch and Mooch may be monsters but we celebrate diversity within the whole class Comprehension some pages have a comprehension question contained within the illustration these focus on feelings e.g. what do you think the character is feeling right now to help them read expressions and questions about the story to check they understand what is happening on a deeper level Search and find pages finding a certain number of relevant objects within the page to enhance the child's comprehension of what is going on in the picture as well as counting skills Usage of common exception words within the text

MOMMY & ME GO TO SWIMMING LESS Angela A. Kear, 2016-08-31 An infant can drown in as little as an inch of water in less than thirty seconds A bathtub toilet bucket swimming pool hot tub or any other container can be dangerous and water safety should never be taken lightly It's imperative never to leave a child unsupervised near water and because child drowning is preventable with a long term commitment to swimming lessons it's equally important to make sure your child can swim The ability to swim is one of the best life skills you can give your child and the sooner you do it the safer your child will be Statistics show that when water skills and comfort in the water are introduced early children are less likely to develop a fear of swimming Since a child's fear of water might prevent future attempts at learning the necessary water skills it's important

to start early and be safe Mommy and Me Go to Swimming Lessons is a must read guide book before starting swimming lessons with your child Written through a child s eyes it helps introduce parents and children to swimming lessons and encourages them to feel comfortable and excited about going Your child will be asked to learn all of the water skills introduced in this book at their own swimming lessons This is an easy fun book that your child will want to read over and over again even after they have started learning to swim About the Author Angela A Kear is the mother of a daughter named Adriana She wrote this story from her personal experiences with her daughter at swimming lessons She believes there is a HUGH need for a book that helps prepare parents and children for swimming lessons and encourages them to feel at ease and energized about going Mrs Kear is the bestselling author of a wedding planning book titled The Busy Brides Bible for Planning a Fabulous Wedding Without the Expensive Cost of a Wedding Planner She is originally from Buffalo New York and currently lives in Columbia South Carolina as a freelance writer A magna cum laude graduate from The State University of New York College at Buffalo she also works as a visual merchandiser for a top name brand clothing line

The art of swimming, with notes on water polo and aids to life saving, ed. by W.H. Clarke John Arthur Jarvis,1902 **World Report on Child Injury Prevention** M. M. Peden,2008 Child injuries are largely absent from child survival initiatives presently on the global agenda Through this report the World Health Organization the United Nations Children s Fund and many partners have set out to elevate child injury to a priority for the global public health and development communities It should be seen as a complement to the UN Secretary General s study on violence against children released in late 2006 that report addressed violence related or intentional injuries Both reports suggest that child injury and violence prevention programs need to be integrated into child survival and other broad strategies focused on improving the lives of children Evidence demonstrates the dramatic successes in child injury prevention in countries which have made a concerted effort These results make a case for increasing investments in human resources and institutional capacities Implementing proven interventions could save more than a thousand children s lives a day p vii Records & Briefs , Parks & Recreation ,1924 Calendar Bryn Mawr College,1918 Social Service Josiah Strong,William Howe Tolman,1903 Domestic Engineering and the Journal of Mechanical Contracting ,1923 Physical Training ,1909 Report of the Secretary for Public Instruction ... Queensland. Department of Public Instruction,1909 **Columbia University Quarterly** ,1902 Vol 6 includes 150th anniversary number
