Annotation copyrighted by Book News Inc Portland OR **Innovation and Economic Development** Mario Cimoli, Andre A. Hofman, Nanno Mulder, 2010-01-01 This book is the fruit of the research ECLAC has amassed with ten chapters detailing the great strides that have been made of late in ICT A distinguishing feature of this book is its multi disciplinary approach to measuring the economic effects of these technologies which incorporates the neo classical growth accounting approach and the evolutionary structuralist approach These approaches are noteworthy because much like the primary message of ECLAC they exemplify the pivotal importance of technical progress productivity and structural transformation in economic growth

Innovation and Economic Development identifies several opportunities and challenges for bringing about a more dynamic role of ICT in the process of structural change and productivity growth and contends that accelerating the adoption and efficient use of ICT is essential to any strategy for further success Technology-based Economic Development ,1990
