mysteriously terminated In a tragic twist of events Ten learns that the agency he was working for is the very same government faction that ordered his wife to be killed and is now hunting him down as well It comes to light that six other brilliant scientists are also in the crosshairs On a life or death mission to uncover the government s deadly motives and seek revenge for the brutal murder of his beloved wife Ten discovers that the top secret application that he was working on has the potential to kill millions of people THE KILLING MACHINE is the story of Ten s fight to stop this deadly project and exact revenge on those who destroyed his life      **Southern Machinery** ,1909      **Journal of Applied Psychology** Granville Stanley Hall,1917      **Popular Science Monthly** ,1917
