The Roman Way:

The Roman Way Edith Hamilton, 2017-07-25 No one in modern times has shown us more vividly than Edith Hamilton the glory that was Greece and the grandeur that was Rome New York Times In this now classic history of Roman civilization Edith Hamilton vividly depicts Roman life and spirit as they are revealed by the greatest writers of the age Among these literary guides are Cicero who left an incomparable collection of letters Catullus who was the quintessential poet of love Horace who chronicled a cruel and materialistic Rome and the Romantics Virgil Livy and Seneca Hamilton concludes her work by contrasting the high mindedness of Stoicism with the collapse of values as witnessed by the historian Tacitus and the satirist Juvenal

The Roman Way Edith Hamilton, 2026-01-03 This book looks at ancient Rome from the inside how Romans judged right and wrong what they admired and what they feared Instead of a strict year by year history it follows Roman voices and the lives behind them statesmen poets philosophers soldiers and emperors Their words and choices show a culture shaped by law duty and public honor but also by ambition pleasure and cruelty It also points out how Roman practical thinking often differed from Greek ideals Across about six centuries the focus stays on everyday ideas as much as great events Topics include family and citizenship religion and superstition education work wealth entertainment and the hard facts of war and empire Scenes range from the senate and the law courts to the camp and the crowded city streets Writers such as Cicero Virgil Horace Livy Seneca Tacitus and Juvenal help reveal what it meant to live as a Roman and why Rome's habits and assumptions still echo in the modern world
