## **Yeshua Codex The:**

**The Yeshua Codex** J. W. Jessup,2004-09 In the tradition of the DaVinci Code The Yeshua Codex is a definitive guide to the historical Jesus The provocative story is deep rooted in historical accuracy and Jewish custom **Judas and Jesus**

Jean-Yves Leloup,2007-02-07 A radical reinterpretation of the relationship of Judas and Jesus Reexamines the role and the purpose the key figure of Judas played in the crucifixion story Reveals how Judas was betrayed by Jesus and how taken to the limits of his humanity he lost everything he most cherished on the path to his true self The familiar story of Judas betrayer of Jesus is striking because of its incomprehensibility Why would one of Christ s disciples and companions of the heart deliver him up to his enemies and a barbarous ignominious and certain death for thirty pieces of silver Jean Yves Leloup s careful investigation of the gospels various apocryphal texts and most importantly the Coptic codex known as the Gospel of Judas leads him to conclude that there is more to the familiar story of Judas than a simple demonstration viewed through one man of humanity s inherent failings The betrayal of Jesus to the Romans was Jesus s idea explains Leloup Jesus persuaded Judas to play the role of evil in humankind by telling him that this enactment was crucial to God s plan and would set Judas by Jesus s side for eternity There where I am spoke Jesus to Judas is where I wish you too to be But to get there Judas a metaphorical representation of the darker side present in all human beings and the shadow counterpart to his Messiah dying on the cross must first shed all his human qualities His failings of greed deceit and cowardice and even his faith and hope are washed away in the despair that engulfs him A parallel moment occurs for Jesus on the cross when he comes to know the despair of separation from God The moment Judas loses his life and all that gave it meaning his God his law his justice his Messiah is the very moment he finds that which cannot be discarded life eternal Thus in the moment of his ultimate extremity Judas receives Jesus s true message and his intended gift [The Forgiveness of Sins](#) Tim Carter,2016-08-25 In The Forgiveness of Sins Tim Carter examines the significance of forgiveness in a New Testament context delving deep into second century Christian literature on sin and the role of the early church in mitigating it This crucial spiritual issue is at the core of what it means to be Christian and Carter s thorough and erudite examination of this theme is a necessity for any professional or amateur scholar of the early church Carter s far reaching analysis begins with St Luke who is often accused of weakness on the subject of atonement but who in fact uses the phrase forgiveness of sins more frequently than any other New Testament author Carter explores patristic writers both heterodox and orthodox such as Marcion Justin Martyr and Origen He also deepens our understanding of Second Temple Judaism and the theological context in which Christian ideas about atonement developed Useful to both the academic and the pastoral theologian The Forgiveness of Sins is a painstaking clear eyed exploration of what forgiveness meant not only to early Christians such as Tertullian Irenaeus and Luke but to Jesus himself and what it means to Christians today **Codex 632** José Rodrigues dos Santos,2008-04 When Thomas Noronha a professor of history and an expert cryptographer is called upon to finish an unresolved investigation involving an aged scholar who is

found mysteriously dead in his hotel room his life takes several unexpected and dramatic turns As Thomas slowly begins to unravel the cryptograms and enigmas that shroud the old professor s work he finds a code that could possibly change the course of historical scholarship Moloc Ninundia Omastoos In his quest to decipher this mysterious code Thomas travels around the world from Lisbon to Rio New York and Jerusalem He quickly immerses himself in the fascinating history of the discovery of the Americas and the one enigma that no historian has ever been able to solve the true identity of Christopher Columbus Mesmerizing in the way in which it reinterprets history most have come to regard as fact Codex 632 reveals what could be one of the greatest historical misinterpretations of all time The Pericope Adulterae, the Gospel of John, and the Literacy of Jesus Chris Keith,2009 Although consistently overlooked or dismissed John 8 6 8 in the Pericope Adulterae is the only place in canonical or non canonical Jesus tradition that portrays Jesus as writing After establishing that John 8 6 8 is indeed a claim that Jesus could write this book offers a new interpretation and transmission history of the Pericope Adulterae Not only did the pericope s interpolator place the story in John s Gospel in order to highlight the claim that Jesus could write but he did so at John 7 53 8 11 as a result of carefully reading the Johannine narrative The final chapter of the book proposes a plausible socio historical context for the insertion of the story **The Face of Jesus** Dean R. Eyerly,2013-02 Many Christians want to know more about the historical man called Jesus of Nazareth and the circumstances surrounding his life mission and death They want to know about his relationships his family members the disciples who followed him and the politics of his day with this book giving you that information The Christian Bible is a well crafted theological essay that is based on ancient events that took place 2 000 years ago in the Middle East Face of Jesus gives the reader hidden insight into the earthly life of Jesus of Nazareth prior to the crucifixion based upon modern day research of first and second century historical documentation not found in the Bible Dean R Eyerly gives a multitude of answers to many historical questions concerning the earthly man named Jesus Many of these issues have gone unnoticed in modern society and Eyerly has compiled discussions to such topics including His mother Mary was born into royalty His father Joseph was allied with Herod the Great He had four brothers and three sisters John the Baptist was his cousin Joseph of Arimathea was his uncle Mary Magdalene was present at the wedding feast at Cana and went on to Capernaum with Jesus There is much more substance to the man named Jesus of Nazareth than is given in the New Testament Jesus was held in high esteem even by those who were not his followers Eyerly seeks to educate the reader about the life and times of Jesus during the turbulent first centuries of Christianity and present Jesus as he actually was Dean R Eyerly is also the author for Between Heaven and Hell through Tate Publishing and he lives in Toledo Ohio Joshua Graeme Auld,2004-11-01 Codex Vaticanus 4th cent CE includes the oldest and probably the most important complete copy of the Greek translation of the biblical book of Joshua or Jesus in Greek The translation had been made some five centuries earlier 2nd cent BCE from a Hebrew version of Joshua which differed at many points from the Hebrew text now familiar to us It was mostly rather literal and where it appears surprisingly free it is often

inviting attention to relevant passages in the books of Moses What the first scribe of the Codex wrote is transcribed uncorrected The deliberately literal rendering into English on facing pages provides ready access to alternative forms of the many proper names in Joshua The commentary discusses both translation and exegetical technique *Jesus as They Saw Him* James Alexander Findlay, 1921
