Dr. Shashi bala 4. Dr BS Dabral, PREFACE Yoga has always been more than a collection of postures breathing techniques or meditation practices It is a lived experience a way of aligning the breath the body and the being into harmony with life itself In today s fast paced world many approach yoga either as a physical discipline for fitness or as a quick path to relaxation Yet beneath these surface benefits lies a timeless science of self awareness and transformation carefully preserved and passed down through generations This book Breath Body being A Holistic Guide to Yogic Practice is born from the recognition that yoga must be understood in its wholeness Each chapter is designed as a step along a journey where the individual gradually deepens awareness of subtle energies ethical foundations therapeutic possibilities and the integration of yoga into daily life We begin with the breath the bridge between the physical body and the inner world exploring its role as the foundation of pr Ga the vital life force From there we honor the body as a sacred vessel uncovering alignment principles that respect both safety and inner balance Ethical guidance through the yamas and niyamas offers a compass for living while explorations of stillness reveal the quiet intelligence of the nervous system and fascia As the journey unfolds we turn to sequencing mudra bandha and mantra as gateways to subtle power and onward to the energetic pathways of nadis and chakras that expand our inner maps of awareness Dedicated chapters on pranayama meditation and Ayurvedic rhythms highlight the importance of balance resilience and integration The book also emphasizes **Yoga For The Beginner: The Starter Guide** Andrew Z. Maitland, 2013-08-18 Yoga For The Beginner The Starter Guide is the text that you must have if you are seeking the best way to achieve inner peace and to get the body back in balance The book explains what yoga is and

it also gives some great poses that the reader can try to see if yoga would be something for them The great thing about yoga is that persons that have a debilitating disease like arthritis can do it as it is a great form of low impact exercise It is also a great exercise that children can do as it helps to calm them down at the end of the day The text is well timed as more and more person have become interested in low impact exercises as a way to keep fit and they are also seeking a way to free the mind of clutter
