Index to Poetry and Recitations Edith Granger, 1904 **The End of the Rope** James R. Smither, 2026-05-15 The Ripcord Association is proud to endorse this important work on the battle of Firebase Ripcord By honoring the service and sacrifice of those who fought there this book preserves a vital chapter of our shared history and gives voice to the men who lived it We are grateful that the story of Firebase Ripcord and its veterans will be carried forward to future generations Frank Marshall A 2 506 vice president of the Ripcord Association The campaign around Firebase Ripcord in 1970 was the last major American offensive effort in the Vietnam War It went badly and is now little known Elements of the 101st Airborne Division tried to go back to the area where the Hamburger Hill battles had been fought the year before but they never made it due to a combination of enemy resistance lack of resources owing to a reduction in force under Vietnamization and serious command problems Ripcord was supposed to provide a stepping stone for an incursion into the A Shau Valley a major North Vietnamese staging and warehouse area in the northern part of South Vietnam It took three attempts to establish the base the result of bad planning bad weather and enemy resistance Once the base was established the North Vietnamese gradually built up their forces in the area effectively attacked surrounding units and bases and eventually isolated it Instead of simply disappearing as they had done in the past they stepped up resistance and forced the Americans to abandon the campaign In 1970 the Americans were unable to conduct the sort of campaign that they had previously launched Instead of piling on to overwhelm the enemy they chose to withdraw to avoid further casualties in an unpopular war As the Americans were weakening the North Vietnamese were getting stronger and had learned much about how to deal with American superiority in firepower and mobility Beyond that the American system of rotating officers in and out of command assignments took place without any regard for the situation on the ground with key commanders changing in the middle of the campaign and new arrivals having to orient themselves on the fly At the higher levels of command there was also competition for commands of combat units as these were necessary for career officers to obtain their promotions Several of the key leaders in the campaign had little relevant experience which proved costly to the men in the field At lower levels most of the officers and men in the campaign performed well despite the increasing sense that they were risking their lives for no purpose Based on over 100 interviews with veterans this is the first complete critical account and analysis of the last American offensive effort in Vietnam the failed Firebase Ripcord campaign in 1970 *A Sanskrit-English Dictionary, Being a Practical Handbook with Transliteration, Accentuation, and Etymological Analysis Throughout* ,1893 Coopers' International Journal ,1923 Vols 27 no 5 May 1918 include a section in German the section from Feb 1903 May 1918 has title Die Internationale K fer Zeitung
