The Routledge Companion to Jazz and Gender James Reddan, Monika Herzig, Michael Kahr, 2022-08-19 The Routledge Companion to Jazz and Gender identifies, defines, and interrogates the construct of gender in all forms of jazz, jazz culture, and education, shaping and transforming the conversation in response to changing cultural and societal norms across the globe. Such interrogation requires consideration of gender from multiple viewpoints from scholars and artists at various points in their careers. This edited collection of 38 essays gathers the diverse perspectives of contributors from four continents, exploring the nuanced and at times controversial construct of gender as it relates to jazz music in the past and present in four parts: Historical Perspectives, Identity and Culture, Society and Education, Policy and Advocacy. Acknowledging the art form's troubled relationship with gender, contributors seek to define the construct to include all possible definitions, not only female and male, without binary limitations, contextualizing gender and jazz in both place and time. As gender identity becomes an increasingly important consideration in both education and scholarship, *The Routledge Companion to Jazz and Gender* provides a broad and inclusive resource of research for the academic community, addressing an urgent need to reconcile the construct of gender in jazz in all its forms. *SPIN*, 1989-09 From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of *SPIN* pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, *SPIN* is your monthly VIP pass to all that rocks. *Hip Hop Headphones* James Braxton Peterson, 2016-08-25 *Hip Hop Headphones* is a crash course in Hip Hop culture. Featuring definitions, lectures, academic essays, and other scholarly discussions and resources, *Hip Hop Headphones* documents the scholarship of Dr. James B. Peterson, founder of Hip Hop Scholars, an organization devoted to developing the educational potential of Hip Hop. Defining Hip Hop from multi-disciplinary perspectives that embrace the elemental forms of Hip Hop Culture: b-boying, DJing, rapping, and graffiti art, *Hip Hop Headphones* is the definitive guide to how Hip Hop culture can be used in the classroom to engage and inspire students.

An OutKast Reader Regina N. Bradley, 2021-10-01 OutKast, the Atlanta-based hip-hop duo formed in 1992, is one of the most influential musical groups within American popular culture of the past twenty-five years. Through Grammy-winning albums, music videos, feature films, theatrical performances, and fashion, André 3000 and Big Boi Patton have articulated a vision of postmodern, post-civil rights southern identity that combines the roots of funk, psychedelia, haute couture, R&B, faith, and spirituality with Afrofuturism into a style all its own. This postmodern southern aesthetic, largely promulgated and disseminated by OutKast and its collaborators, is now so prevalent in mainstream American culture that neither Beyoncé Knowles's *Formation* nor Joss Whedon's sci-fi western mashup *Firefly* could exist without OutKast's collage aesthetic that we rarely consider how challenging and experimental it actually is to create a new southern

aesthetic An OutKast Reader then takes the group's aesthetic as a lens through which readers can understand and explore contemporary issues of Blackness gender urbanism southern aesthetics and southern studies more generally Divided into sections on regional influences gender and visuality the essays collectively offer a vision of OutKast as a key shaper of conceptions of the twenty first century South expanding that vision beyond long held archetypes and cultural signifiers The volume includes a who's who of hip hop studies and African American studies scholarship including Charlie Braxton Susana M Morris Howard Ramsby II Reynaldo Anderson and Ruth Nicole Brown **Maximum PC**, 2000-11 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and innovative how to stories and the illuminating technical articles that enthusiasts crave
