Sons Of Chong:

Sons of Chong March K. Eu,1978 The Chinese in Mexico, 1882-1940 Robert Chao Romero,2011-06-29 An estimated 60 000 Chinese entered Mexico during the late nineteenth and early twentieth centuries constituting Mexico s second largest foreign ethnic community at the time The Chinese in Mexico provides a social history of Chinese immigration to and settlement in Mexico in the context of the global Chinese diaspora of the era Robert Romero argues that Chinese immigrants turned to Mexico as a new land of economic opportunity after the passage of the U S Chinese Exclusion Act of 1882 As a consequence of this legislation Romero claims Chinese immigrants journeyed to Mexico in order to gain illicit entry into the United States and in search of employment opportunities within Mexico s developing economy Romero details the development after 1882 of the Chinese transnational commercial orbit a network encompassing China Latin America Canada and the Caribbean shaped and traveled by entrepreneurial Chinese pursuing commercial opportunities in human smuggling labor contracting wholesale merchandising and small scale trade Romero s study is based on a wide array of Mexican and U S archival sources It draws from such quantitative and qualitative sources as oral histories census records consular reports INS interviews and legal documents Two sources used for the first time in this kind of study provide a comprehensive sociological and historical window into the lives of Chinese immigrants in Mexico during these years the Chinese Exclusion Act case files of the U S Immigration and Naturalization Service and the 1930 Mexican municipal census manuscripts From these documents Romero crafts a vividly personal and compelling story of individual lives caught in an extensive network of early transnationalism

The History of Korea Homer Bezaleel Hulbert,1905 Under the Ancestors' Eyes Martina Deuchler,2020-05-11 Under the Ancestors Eyes presents a new approach to Korean social history by focusing on the origin and development of the indigenous descent group Martina Deuchler maintains that the surprising continuity of the descent group model gave the ruling elite cohesion and stability and enabled it to retain power from the early Silla fifth century to the late nineteenth century This argument underpinned by a fresh interpretation of the late fourteenth century Kory Chos n transition illuminates the role of Neo Confucianism as an ideological and political device through which the elite regained and maintained dominance during the Chos n period Neo Confucianism as espoused in Korea did not level the social hierarchy but instead tended to sustain the status system In the late Chos n it also provided ritual models for the lineage building with which local elites sustained their preeminence vis vis an intrusive state Though Neo Confucianism has often been blamed for the rigidity of late Chos n society it was actually the enduring native kinship ideology that preserved the strict social status system By utilizing historical and social anthropological methodology and analyzing a wealth of diverse materials Deuchler highlights Korea s distinctive elevation of the social over the political

A New Middle Kingdom J. P. Park,2018-10-09 Historians have claimed that when social stability returned to Korea after devastating invasions by the Japanese and Manchus around the turn of the seventeenth century the late Chos n dynasty was a period of unprecedented

economic and cultural renaissance in which prosperity manifested itself in new programs and styles of visual art A New Middle Kingdom questions this belief claiming instead that true view landscape and genre paintings were likely adopted to propagandize social harmony under Chos n rule and to justify the status wealth and land grabs of the ruling class This book also documents the popularity of art books from China and their misunderstanding by Koreans and most controversially Korean enthusiasm for artistic programs from Edo Japan thus challenging academic stereotypes and nationalistic tendencies in the scholarship about the Chos n period As the first truly interdisciplinary study of Korean art A New Middle Kingdom points to realities of late Chos n society that its visual art seemed to hide and deny A William Sangki and Nanhee Min Hahn Book [Directory of Officials of the Democratic People's Republic of Korea](#) United States. Central Intelligence Agency,1982

Twentieth Century Impressions of British Malaya Arnold Wright,H. A. Cartwright,1908 [Directory of Officials of the Democratic People's Republic of Korea](#) ,1980 **Decisions of the High Court of Southern Rhodesia** Southern Rhodesia.
