lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and
rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of
creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an
examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks
and demonstrating how the participatory practices of social media have the potential to radically transform how literature is
produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media
provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies
