The Switch:

The Switch Dave Luton,2012-03-14 A world dictator who calls himself the Chosen One forces all his citizens to have implanted a switch which was invented by Hitler for the purpose of facilitating genocide and euthanasia He claims to have more benign purposes than Hitler but some people including the book s narrator aren t buying This story ends on a positive note as the story s main character overcomes depression and suicidal urges to find a purpose in life However the book s underground publisher issues a somber warning to the reader and to all who dare possess this book Like George Orwell s novel 1984 this book is meant at least in part as a condemnation of totalitarianism regardless of the ideology However this novel does reflect the author s personal disenchantment with capitalism NOTE THIS BOOK IS NOT RECOMMENDED FOR MINORS DUE TO ITS SENSITIVE CONTENT
