Beginning at the scene of the crime this investigation places Agatha Christie and the clue puzzle in historical context casting light on the methods the motives and in a sense the alibis that underpin Christie s crime fiction In keeping with the clue puzzle analytical method devised for this book each chapter builds towards a conclusion that delivers a surprising intellectual payoff This enquiry is unapologetically textual in approach It constructs a rigorous evidence base drawn from the Marple short stories and novels and presents a useful interpretation of crime fiction scholarship This provides a foundation for original literary analyses that reveal Christie s engagements with gender roles and genre rules and the sleights of hand that they conceal Christie s modus operandi is uncovered as are the narrative strategies and literary devices that she deployed to ambush unwary readers Crucially this investigation shows how Christie s ingenious methods made it possible for an elderly spinster to get away with solving murder Sleuthing Miss Marple will be invaluable for students and researchers of crime fiction twentieth century literature and creative writing *Secrets from the Agatha Christie Archives* Jared Cade,2025-02-05
