After a brief legal career, Buchan simultaneously began his writing career and his political and diplomatic careers, serving as a private secretary to the colonial administrator of various colonies in southern Africa. He eventually wrote propaganda for the British war effort in the First World War. Buchan was in 1927 elected Member of Parliament for the Combined Scottish Universities but he spent most of his time on his writing career, notably writing *The Thirty-Nine Steps* and other adventure fiction. In 1935 he was appointed Governor General of Canada by King George V on the recommendation of Prime Minister of Canada R. B. Bennett to replace the Earl of Bessborough. He occupied the post until his death in 1940. Buchan proved to be enthusiastic about literacy as well as the evolution of Canadian culture and he received a state funeral in Canada before his ashes were returned to the United Kingdom.

The novel is set during May and June 1914, Europe is close to war, and spies are everywhere. Richard Hannay, the protagonist and narrator, an expatriate Scot, returns to his new home, a flat in London, after a long stay in Rhodesia in order to begin a new life. One night he is buttonholed by a stranger, a well-travelled American who claims to be in fear for his life. The man appears to know of an anarchist plot to destabilise Europe, beginning with a plan to assassinate the Greek Premier, Karolides, during his forthcoming visit to London. The man reveals his name to be Franklin P. Scudder, a freelance spy, and remarks that he is dead, which holds Hannay's attention. Scudder explains that he has faked his own death in order to avert suspicion. Scudder claims to be following a ring of German spies called the

Black Stone who are trying to steal British plans for the outbreak of war Hannay lets Scudder hide in his flat and sure enough the next day another man is discovered having apparently committed suicide in the same building Four days later Hannay returns home to find Scudder dead with a knife through his heart Hannay fears that the murderers will come for him next but cannot ask the police for help because he is the most likely suspect for the murders Not only does he want to avoid imprisonment but he also feels a duty to take up Scudder s cause and save Karolides from the assassination planned in three weeks time He decides to go into hiding in Scotland and then to contact the authorities at the last minute In order to escape from his flat unseen he bribes the milkman into lending him his uniform and exits wearing it escaping from the German spies watching the house Carrying Scudder s pocket book he catches an express train leaving from London St Pancras station Hannay fixes upon Galloway in south west Scotland as a suitably remote place in which to make his escape and remembers somehow the town of Newton Stewart which he names as his destination when he buys his ticket from the guard
