Vampire Chase:

The Sacramento Vampire Jack Smith, 2021-04-27 Vampires aren't real. But at one point in the 70s in California a man who had a penchant for drinking human blood and killing his victims terrorized the city of Sacramento. Here is his story: Richard Trenton Chase Jr, otherwise known as the Sacramento Vampire, terrorized California during the 1970s. He brutalized, killed, and even ate his victims. But what stood out most in the public's imagination was his penchant for drinking their blood like a modern-day vampire. The truth is Chase was a severely disturbed individual. Some killers are cold-blooded monsters; some simply have terrible impulse control, but others are completely deranged. Chase fits into that category. Since he was diagnosed with severe mental illness, it remains debatable how cognizant and how culpable Chase was of what he was doing. Prosecutors later highlighted several aspects of Chase's assaults which they believed showed that he was aware of the gravity of his actions and should therefore be held accountable. His defense attorneys, on the other hand, tried to demonstrate that Chase was a man so removed from reality that he should be considered not guilty by reason of insanity. At any rate, whatever might have been going on in the mind of Richard Chase Jr, his victims were real and the horrors he inflicted on them were very real as well. The deeds of Richard Chase Jr most certainly make for a frightening, sad, and twisted tale. This book documents this disturbed man's troubled life, his horrific rampage, and his subsequent demise in full. Vampire Kevin Sullivan, 2014-12-02 The author of *The Bundy Murders* tells the harrowing true story of one of the most bizarre serial killers in America. Katherine Ramsland, bestselling author of *Confession of a Serial Killer*, a city under siege held captive while a psychopathic vampire serial killer instills fear in its residents, taunts the authorities, and brutally kills his victims. This book is a chilling and stomach-churning look into the life of a twisted, sick man so evil one would wonder if he was even human. From his early days when he would liquify rabbits in a blender to drink their intestines and blood to mutilating his victims, his thirst for killing could not be satiated. This is the story of Richard Trenton Chase, the Vampire of Sacramento. It is not for the faint of heart. Fraught with emotion and detail, a must-have book for all true crime enthusiasts and collectors. R.J. Parker, award-winning author of *Escaped Killer*, Sullivan has written a fascinating account of an abnormal psyche of egregious proportions and captures the very essence of Richard Chase's monstrous crime spree. The citizens of Sacramento will never forget Gary C. King, author of *Love Lies and Murder*.

FROM THE BOOK The sun descends and the moon rises giving the only light that illuminates the darkness Wind blows silently as if it is trying to tell me a secret Our steps are quiet we move like the wind walking along the forest floor as we make our way to the hole I crawled out of just a few months ago We whip past the trees rocks and grass like we are floating in the air The animals in the forest are neither seen nor heard They are hiding but I know they are out there I can hear the steady pace of their hearts and the blood flowing in their veins We make it to our destination No words spoken no sentiments given There is just quiet contemplation and preparation churning in our minds I look at Jade and she nods She quickly turns and climbs the tall tree near me looking like a spider silently climbing up a wall I turn my attention away from Jade She is now invisible to me I will neither give away nor tell her whereabouts She is a secret one that I will pretend not to know I look around through the darkness of night taking my place waiting for this game to
