Barbara Enter, Gina Weinmann, 2021-01-08 If believers are not careful church can be reduced to a mere social club Barbara and Gina demonstrate how to find a cherished friendship through the process of discipleship They have often observed when women come to a new church they seem to be on an endless search to find a friend so they can feel a part or feel connected Often this leaves them discontent in their search A more biblical and satisfying way is by developing discipleship relationships in the body of Christ Who Needs a Friend When You Can Make a Disciple defines and highlights some practical how tos to help women implement biblical ways to practice and sustain discipleship relationships Barbara and Gina s aim in sharing their personal story is to show women the impact discipleship can have on their spiritual growth as they find a cherished friend Live Like Jesus Dann Spader, 2019-01-01 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that s a challenge But it s our job In Live Like Jesus you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you ll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Are you ready Learn how to implement the Like Jesus series into your small group ministry and church to build a culture of disciple making Use the Like Jesus App and Digital Access platform for videos assessment engagement real time metrics are more download today <https://LikeJesus.church> **Disciples of Jesus Christ to Make Disciples For Jesus Christ** Theodore Andoseh, The messages in this book were delivered at the Third World Convention of Christian Missionary Fellowship International at her headquarters in Koume Bertoua Cameroon from 8th to 17th December 2019 to brethren of the Community from 93 nations from the six continents We were gathered to give account to God thank and celebrate Him who blessed and enabled us to accomplish the Phase 2 goal of our work These messages serve as an orientation for the pursuit of the goal and directives for our work in the next five to seven years In pursuing these directives as a disciple making movement God being our Helper and by the blessings of the Lord we expect to be a community in which every member loves the Lord Jesus or returns to the first love for the Lord Jesus Our heart cry to the Lord is that these messages would help keep us on the rails and stir us to work hard at accomplishing the goal that we joyously accepted from and committed ourselves to before our blessed Lord and Master Jesus Christ **Now You Can Make Disciples!** Mike Falkenstine, 2022-09-15 In writing his new book Now You Can Make Disciples A Step by Step Guide Mike Falkenstine had two primary things in mind First he has a deep heart toward the commands of Jesus one of which is for us all to Go and Make Disciples Secondly he has eyes toward Jesus admonition in John 14 that as Christians we show Jesus we love Him when we do

Discipling as Jesus Discipled Dann Spader,2016-07-15 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that s a challenge But it s our job In *Discipling as Jesus Discipled* you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you ll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Ready to learn from the Master **Follow Me** J Lee Grady,2022-02-01 God has placed the next generation into our hands Who will raise them up if the church does not This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few Christians are actually investing their lives in helping other believers grow spiritually A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century In *Follow Me* J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young

leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication

Be a Disciple, Make a Disciple Ellie M Littleton, 2019-04-22 The twenty first century Church has the same Holy Spirit power and many more modern day resources than the first century Church yet the first century Church had greater success in making disciples Why They followed the plan Jesus gave them and He blessed it But the more worldly progress we've made the more we've deviated from Jesus's plan by choosing programs entertainment and socials with only surface level encounters We neglect to make a connection with the lost and they see no real commitment from the church So they come

and go as we continue to meet and plan more programs To end the cycle we must go and make disciples as Jesus taught investing our lives in the lives of others Do you long to live the Great Commission and make disciples but you re not sure how In Be a Disciple Make a Disciple Ellie Littleton offers biblical examples and concepts that break down the hard work of discipleship into sixteen thought provoking lessons So go and make disciples This is to my Father s glory that you bear much fruit showing yourselves to be my disciples John 15 8 niv As the Lord s earthly ministry got under way He began by making disciples and never stopped until He ascended into heaven Had the disciples not followed His example we would not be disciples of Jesus today As Ellie s pastor I ve seen her live out the principles she teaches in this book I highly recommend this book to all Christians so we can all follow Jesus s command to make disciples Rev David Warren South Shelby Baptist Church Shelby Alabama **Robert Woodknow's Difficulties in Finding a Church Home** Charles Francis Reitze,1903 **The Sabbath Recorder** ,1928 **Christian Advocate** ,1908 **Clueless - Go and Make Disciples** Ambassador Monday O. Ogbe,2023-06-15 Have you ever been told to go and win souls for Christ through street evangelism or any other setting and you just sense you are not cut out for this When you eventually manage to convince someone to accept Jesus as savior you begin to realize you are clueless as to where to begin in the discipleship journey If that is your situation you are not alone As a Christian of over thirty 30 years listening to sermons from different pulpits from around the world over media networks and at our local churches I am amazed at the lack of or non existence of practical teaching on how to actually go out and make disciples of all nations as Jesus Christ instructed us during His last command to the disciples until the last thirteen years that this insight came to me in my visible encounter with the Lord Jesus Christ on 22nd of April 2006 You will find the story on the encounter in the introductory part of Clueless Go Make Disciples Even then I am still fine tuning my understanding I know and I am aware that there are countless Christians who love the Lord dearly and are involved in relentless church activities week in and week out that have no clue as to how to really go out and make disciples of all nations Some of our church pews are filled with recycled converts that do not know their left from their right concerning disciple making after years of conversion Some of our churches have become like the dead sea where we keep taking in messages and not being equipped to let out the treasure within This book Clueless Go and make disciples was written for you to equip you as a practical how to book for the great commission work using Discovery Bible Study and the best of Disciple Making movement Training the trainer T4T and other disciple making processes all in one place Questions like How do you make sense of the various disciple making movement what fits into your particular church setting What works for you What are the positive results of stories out there from different disciple making movements By the time you are done reading Clueless Go and make disciples you will begin to actually make disciples and equip other groomed leaders to do likewise in any and every setting where you find yourself and your fruit will certainly remain From the many approaches to discipleship out there you will find your unique style and place in the body of Christ and function in that office effectively You will find practical tips on how to start a

group amongst different people groups Urban and rural and look for trigger points within any setting to start a discovery process You will identify your unique gifting in the body of Christ and function effectively within it and much much more
